

# DC Coding Association

## Volunteer Coding Instructor

### Job details

We are looking for passionate volunteer coding instructors to join our non-profit organization located in BC, Canada. DC Coding Association is a non-profit organization that offers opportunities to children and beginners to learn coding, math and other valuable courses. Many children have their learning opportunities limited because of their situation. We want to help them by offering free learning opportunities. You will be able to gain experiences for teaching coding and volunteer hours.

**Class Type:** Online Courses

### Qualifications

- Have at least two years of coding experience
- Excellent speaking and communicating skills
- Be good at coding and math
- Prefer to have coding competition awards (e.g. Waterloo CCC Contest)
- Be responsible
- Be good at time management
- Prefer instructors to be grade 9 and above.
