

DC Coding Association

Volunteer Instructor

Job details

We are looking for passionate volunteer instructors to join our non-profit organization located in BC, Canada. DC Coding Association is a non-profit organization that offers opportunities to children and beginners to learn coding, math and other valuable courses. Many children have their learning opportunities limited because of their situation. We want to help them by offering free learning opportunities. You will be able to gain teaching experiences and volunteer hours.

Class Type: Online Courses

Qualifications

- Have at least 2-3 years of experience with the topic or at least grade 9 level
- Excellent speaking and communicating skills
- Be excellent at the topic
- Prefer to have competition awards on the topic
- Be responsible
- Be good at time management
- Prefer instructors to be grade 9 and above.
