

DC Coding Association

Volunteer Science Instructor

Job details

We are looking for passionate volunteer science instructors to join our non-profit organization located in BC, Canada. DC Coding Association is a non-profit organization that offers opportunities to children and beginners to learn coding, math and other valuable courses. Many children have their learning opportunities limited because of their situation. We want to help them by offering free learning opportunities. You will be able to gain experiences for teaching science and volunteer hours.

Class Type: Online Courses

Qualifications

- Have a science level of at least grade 9.
- Excellent speaking and communicating skills
- Be excellent at science
- Prefer to have science competition awards
- Be responsible
- Be good at time management
- Prefer instructors to be grade 9 and above.
