Dear colleagues,

We invite you to join this #EUHPP Live Webinar.

Discover how the European Health Data Space (EHDS) will empower patients by granting new rights over their health data and enhancing data exchanges for better healthcare delivery.
This session will also dive into the requirements for electronic health records systems and interoperability, providing practical insights for healthcare providers, patient organisations, and system manufacturers.

Supporting Documents
- Text of the EHDS Regulation (as approved by EP and Council): *Read the regulation here*
- EHDS Q&A: *Explore the questions and answers here*
