Client questionnaire

inference

2021

1 Inference client onboarding questionnaire

Please fill our the form below, and return it to contact@inference.ag. We will follow up within at most three days. Thank you.

1.1 About you

Organisation name:

Website:

Legal address:

Contact (name + email):

1.2 Assessment goals

Please describe the system(s) you would like Inference to assess and the goals of the project.

We require the following details:

- technology stack (programming languages, frameworks, etc.),
- code repository,
- commit point in repository,
- documentation,
- references to previous security assessments (if any).

1.3 Timeline

Please provide the estimated earliest and latest dates when Inference could start the project.

1.4 Report publication

Please indicate which of the following best represents your intentions regarding the dissemination of the assessment report:

- We intend to make the report public, for example on our website.
- We may only share the report privately with third parties, such as clients or investors.
- The report is mainly for our technical teams, we will not distribute externally.

2 Confidentiality

Should you prefer to sign a confidentiality agreement with Inference prior to sharing information about your requirements, please email us.

To avoid sending us cleartext information over email feel free to use the following PGP key:
