Minutes of the tenth meeting of the National Tiger Conservation Authority (NTCA), held under the Chairmanship of Shri Prakash Javadekar, Hon'ble Minister for Environment, Forests & Climate Change on 26 August, 2014 at the India Habitat Centre, New Delhi

The tenth meeting of the National Tiger Conservation Authority (NTCA) was held under the Chairmanship of Shri Prakash Javadekar, Hon'ble Minister for Environment, Forests & Climate Change and Chairperson, National Tiger Conservation Authority on 26 August, 2014 at the India Habitat Centre, New Delhi.

The list of participants is at **Annexure-I**.

The Hon'ble MEF&CC and Chairperson, NTCA welcomed the members and initiated the discussion. He highlighted the importance of tiger conservation and India's long standing track record under Project Tiger. It was also stated that over the years, the Project Tiger coverage has increased considerably with 47 reserves in 18 States, amounting to almost 2.02% of our country's geographical area. The Government of India is actively collaborating with tiger States to save wild tigers, and due to such ongoing efforts, the country has more than 50% of world's tiger population.

The efforts on national and international fronts for tiger were highlighted. The national efforts involved securing the tiger source areas, with an exclusive tiger agenda, followed by a co-occurrence agenda in the buffer and beyond. Field protection, day to day tiger monitoring and ensuring inviolate space for tiger are given utmost importance, with the state-of-art technology and capacity building of field units. Use of electronic surveillance and unmanned aerial vehicles has also been explored, besides collaboration with the NRSA for an Alert system to forecast flood and fire in susceptible reserves.

The Chairperson also informed the members about his forthcoming visit to the Kaziranga Tiger Reserve (Assam), for reviewing protection and problems relating to flood.

The Chairperson stated that the States are provided funding support under Project Tiger for antipoaching operations and other initiatives, in addition to 100% central assistance for raising, arming and deploying the Special Tiger Protection Force (STPF). The recent in-principle approval in this regard for Melghat and Nawegaon-Nagzira Tiger Reserves was highlighted, in addition to efforts for providing adequate funding support towards voluntary relocation of people from core/critical tiger habitats, recommending notification of the Bor Tiger Reserve in Maharashtra, support for addressing human-tiger interface

conflicts, issue of Standard Operating Procedures to deal with orphaned tiger cubs, ongoing country level assessment of tigers, co-predators and prey, independent assessment of tiger reserves and study relating to valuation of tiger reserves.

The bilateral understanding with Nepal on wildlife / tiger conservation was articulated, including the forthcoming joint report on tiger status in the Terai Arc Landscape involving areas of both countries. The Chairperson also highlighted the bilaterals with China, Bangladesh and Russian Federation for strengthening tiger conservation.

The Chairperson reiterated the commitment to protect biodiversity / wildlife and forests, while stating that protection of nature and development can go hand in hand and conservation should not be seen as a drag on development.

The Chairperson announced the following decisions vis-à-vis the agenda items:

1. Requesting the State of Karnataka for a proposal to notify Cauveri and MM Hills Wildlife Sanctuaries as a tiger reserve.
2. Annually carrying out 'Management Effectiveness Evaluation of Tiger Reserves' by States.
3. Collaboration of National Tiger Conservation Authority and Wildlife Crime Control Bureau for an online tiger / wildlife crime tracking / reporting system in tiger reserves.
4. Institutionalizing an award for successful conservation of endangered species (other than tiger) in tiger reserves.

This was followed by deliberations on agenda items as indicated below:
