Sir,

With reference to the above mentioned subject, I am directed to inform that we have received an email dated 24.04.2017 regarding your inability to attend the meeting. It is unfortunate to note that you have not received the said meeting notice. As per schedule, all other participating members have attended the meeting which was convened under the Chairmanship of ADG (PT) & MS, NTCA. You would appreciate that the said meeting was very important for reviewing the Sabarimala Master Plan and the present status with regard to implementation of various modules.

During the meeting, the discussions/ deliberations were held with regard to master plan prescriptions vis-à-vis the findings of various teams constituted by this Authority, State government and other agencies from time to time. It is noticed with serious concern that certain deviations, noncompliance of Master plan prescriptions pertaining to various modules have taken place. The summary record of the meeting is being communicated separately. It is informed that the meeting will be held again in the month of May, 2017 and the details of which shall be communicated well in advance.

Encl: As above.

Yours faithfully,
