Date: 07.06.2024

To

The Chief Wildlife Warden,
All Tiger Range States

Sub: Guidelines in respect of Tiger Conservation Plan for the Tiger Reserves –reg.

Sir,

This is for your kind information that, Guidelines for preparation of Tiger Conservation Plan was issued vide NTCA/01/07 and further supplementary guidance was issued vide No. 1-14/2011-NTCA (Part-1) dated 2nd April'2014. However, the status of preparation and submission of Tiger Conservation Plan is not satisfactory and there is no time line adhered to.

2. In order to streamline the process of preparation, submission and approval of TCP, it has been decided that,

a) Tiger Conservation Plan of the Tiger Reserve shall be prepared well in advance and sent to this Authority at least 6 months before the completion of plan period. The approved TCP shall be uploaded in the website of concerned Tiger Reserve and the confirmation may be sent to this authority.

b) For the Tiger Reserves to be newly formed, the draft TCP should be part of the proposal failing which the proposal will not be considered for approval.

3. It is requested that, the Time line may be strictly followed so that the preparation and approval of TCP be taken up smoothly.

4. This issues with the approval of the Competent Authority.

Yours faithfully,

(Banumathi G.)

Deputy Inspector General of Forests
