

Robert Poto

FRONTEND DEVELOPER

Profile

Passionate front end developer with a great sense of humor and professionalism. I have 3 years professional work experience in IT and Web development

Employment History

IT Specialist and Computer operator, Osofm Computers , Kaduna

OCTOBER 2018 – JANUARY 2020

I worked at osofm computers as a junior IT speciali and was later promoted to a senior IT specialist in under a year, this is also where I advanced my journey as a front end web developer with professional courses from Sololearn.

Front end Web developer , WorkItStudio, Kaduna

DECEMBER 2019 – PRESENT

During the time of work as an IT Specialist for osofm computers I began taking professional classes at Sololearn in HTML, CSS, JavaScript and responsive web design, where I got 2 certification in advanced HTML and CSS under 3months. With that I began to work online as a professional front end developer.
