

# VICTOR® DC050

## Height Adjustable Monitor Riser

The DC050 High Rise Monitor Stand raises your computer display to an ergonomic height.

The 27" wide by 11.5" deep surface is 6.5" tall to enable eye-level viewing. Optional height extenders add an additional 1". Sleek wood construction and a durable laminate coating provide years of use with a modern style. The rear portion of the desk is tapered to fit corner cubicles and notched to help manage cables. The lower shelf stores books, papers, or accessories. Works well as a stand for notebook computers, small printers, all-in-ones, scanners, televisions or fax machines. Includes non-slip rubber pads.
