CO-ORDINATION OF THE PROGRAMMES OF
THE ORGANIZATION

RESOLUTION

THE COUNCIL,

CONSIDERING the scientific, technical and administrative unity of the Organization;

AGREEING that at the end of the period of construction of the 300 GeV programme, as defined in document CERN/958/Rev., all the programmes of activities of the Organization will be carried out under the responsibility of a single Director-General;

HAVING APPOINTED a Director-General to be responsible directly to the Council for the execution of the basic and ISR programmes;

HAVING APPOINTED a Director-General to be responsible directly to the Council for the execution of the 300 GeV programme;

REQUESTS the two Directors-General of the Organization to ensure the scientific, technical and administrative unity of the Organization during the next eight years and to arrange that all the programmes of the Organization can be brought together under one Director-General at the end of this period;

REQUESTS the two Directors-General to submit to Council as soon as possible specific proposals for ensuring the unity of the Organization and the harmonious development of all its activities.
