HIGHLIGHTS

JULY
2022

Achievement by AIC-RMP

We are proud to announce on-boarding of our first Fast Track Cohort incubatee, Exter (<https://exter.in>) based in Bengaluru to the AIC-RMP community under Tech for Social Good domain. Fast Track Incubation Program is a special endeavour to support committed founders & startups at traction phase and in need of customised or super-specialized support to grow and/or scale up. AIC-RMP has identified a few important thrust areas and sectors, which will help in building New India & contribute to the overall mission of AIM & NITI Aayog.

Achievements by AIC- RMP 3rd Cohort Incubatees

WEMY Discover Platform Launch (<https://wemy.io/>)

WEMY Discover has launched a beta version for vendors & once they reach the right number of products, it will be launched to customers as well. Wemy Discover is a multivendor marketplace where they promote products made by women-led businesses. They connect genuine sellers with eager buyers through a seamless & safe shopping experience. Most of their products are hand-made with love or curated from across the country. By shopping on Wemy you can show your support to the small business community.

WealthVidya Launch (<https://www.wealthvidya.com/>)

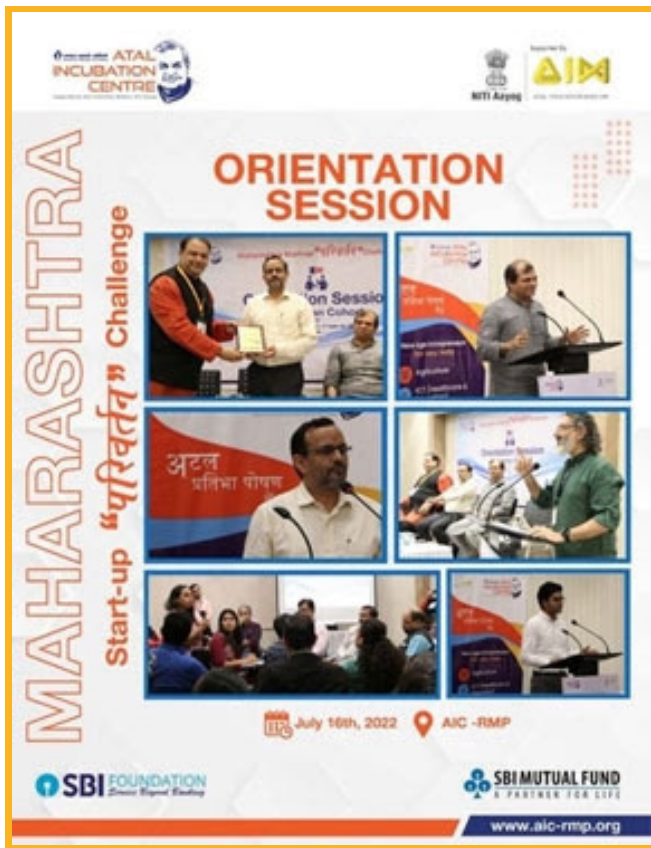

WealthVidya is an EdTech platform building Practical Money Skills from a tender age, which enables students to make prudent financial decisions in adulthood. Their aim is to make our youth ready for a Digitally Atmanirbhar Bharat. The Co-founders, Archit Lohia (<https://www.linkedin.com/in/archit-lohia-cfa-ca-llb-caia-5b15b617/>) and Shruti Lohia (<https://www.linkedin.com/in/shruti-poddar-lohia-989685228/>) have expanded their team consisting of 11 teachers, 8 channel partners and 3 full-time employees. They have started enrolling students from schools in Mumbai, Pune, Hyderabad, Lucknow, Kolkata, Gurugram and Surat.

DigiSwasthya Foundation (<https://digiswasthya.org/>)

Digiswasthya Foundation launched their sixth Centre in Meerut as well as they celebrated the 2nd Anniversary in July, 2022. DigiSwasthya Foundation is a non-profit organization that provides quality primary healthcare services across rural India by leveraging technology at DigiSwasthya's Telemedicine Centers. Sandeep Kumar is the Founder & CEO (<https://www.linkedin.com/in/sandeep-kumar-897447aa/>) and Dr Pallabi Roy (<https://www.linkedin.com/in/pallabiroy27/>) is the Co-Founder & COO of the foundation.

Programme

Orientation Session

We conducted an Orientation session for 18 shortlisted startups for 'परिवर्तन Cohort', presented by SBI Foundation. Encouraged with the overwhelming response through 70+ applications from 28 cities & 11 states, these shortlisted startups went through rigorous two-level screenings and are moving forward to the next steps of association.

We are thankful to the SBI Foundation & Atal Innovation Mission (AIM) team for continuous support. Lalit Mohan, President & Chief Operating Officer at SBI Foundation addressed the participants with orientation on SBI Foundation work in Livelihood & Entrepreneurship domain), Jai Mrug (Director, AIC-RMP) shared insights about RMP, AIC-RMP philosophy and Farzan Ghadially (Consultant & Advisor-Finance, AIC-RMP) gave the concluding remarks.

Showcase of Shortlisted Startups at BSE SME & exclusive interaction with Ajay Thakur, Head-BSE SME & Startup

The programme was aimed at showcasing work of shortlisted startups including an exclusive interaction with Ajay Thakur, Head- BSE SME & Startup at BSE Ltd.

Following Five (5) startups were present:

AUGUST
2022

**AUGUST
2022**

Programme/s

Session on Entrepreneurship Essentials at WeSchool

Welingkar Institute of Management (Academic Partner) invited **Uday Wankawala; CEO, AIC-RMP** as a guest speaker on August 10, to address the batch of 2022-24 PGDM students on 'Entrepreneurship Essentials' during the induction program. Around 400+ Students participated as the session gave them and insight in to various challenges and avenues available to take on an entrepreneurial journey. AIC-RMP and WeSchool reaffirm unwavering support that equips young minds to take a step forward toward nation-building.

परिवर्तन Induction Ceremony

AIC-RMP had hosted the 'परिवर्तन Cohort Induction Ceremony' for the finalized startups at RMP, Pune office which was held on August 20. In the virtual presence of keynote speaker- Hanmantrao Gaikwad, Chairman & MD, BVG Group. There were other esteemed mentors, experts, Speakers including graduated startups who acted as a path for the founders to help them magnify the purpose in the best possible way.

Art of Pitching

Pitching is tough but there is an art to it. our mentor V.C Karthic (Investor, and Founder Buzzworks Business Services Pvt Ltd.) shared the mantras with the startups / participants that can help elevate the pitch. The Art of Pitching session walked them through the main “do’s and don’ts” in a concise, practical way to deliver an impactful elevator pitch to investors, customers, or stakeholders and learn storytelling. The workshop was held at RMP, Wadala on 27th August, 2022.

Entrepreneurship Conference in association with KBP College

Entrepreneurship Promotion Conference was concluded on Friday 26th August 2022 at KBP College, Thane. Mr. Sandeep Kumar, Founder & CEO, DigiSwasthya Foundation (AIC-RMP 3rd Cohort Incuabtee) guided the students during the conference.

Fast-Track Mentoring Session

Mentoring session for Fast-Track Incubatee 'Exter' (<https://evclub.exter.in/>) took place at the RMP campus on August 12th- 13th. RMP Managing Committee Member Arvind Rege and our mentor Vivek Tikoo guided the Founders on Value Proposition and fundamentals of entrepreneurship process. Exter firmly believes that switching to electric 2-wheelers (e2W) for a greener tomorrow is the need of an hour. Battery swapping or battery-as-a-service will boost e2W adoption.

Creative Entrepreneurship Module

AIC- RMP has completed 'Creative Entrepreneurship' module at NMIMS School of Design (SOD) campus with a final pitching session which was on Sept. 7th with 7 groups consisting of 23 students presenting their unique ideas / projects. Pankaj Prakash, Manish Bansal & Bhushan Gajaria (our mentors) were present as external jury along with Uday Wankawala, CEO AIC- RMP as internal faculty/ lead facilitator.

Visitors

Balasaheb Mane, BJP Ex. MLA. Ratnagiri visited AIC- RMP campus alongwith a startup.

Mehul Shroff, Founder, Mangalam Kalpataru and **Dr. Nilay Lakhkar**, Founder, Synthera Bio Medical visited AIC-RMP campus to discuss their plan & support required from the Incubator alongwith newly enrolled mentor **Dipesh Mohile**, Managing Partner, IIA Ventures.

Participation in Conference

MEDC-MSME Conference

AIC-RMP CEO; Uday Wankawala addressed at MEDC-MSME conference 2022 which was held on August 23rd on the topic 'Skilling, Innovation & Micro Entrepreneurship' organized by Maharashtra Economic Development Council (MEDC) for the Micro, Small and Medium Enterprises (MSME) sector that forms the backbone of the Indian economy. He spoke about the role of entrepreneurs, the entrepreneurship eco-system, and about traits of entrepreneurs which MSMEs should adapt. We would like to thank the organizing team MEDC and Co-panelists Manisha Verma, (Principal Secretary Skill Development, Employment and Entrepreneurship at Govt. of Maharashtra), Suresh Todkar (Deogiri Electronics Cluster), Pradip Peshkar (Member, National Board for MSME, GoI) for the wonderful insights, and Ashish Gadre (Regional Director MEDC & Director MAGIC) for moderating the session.

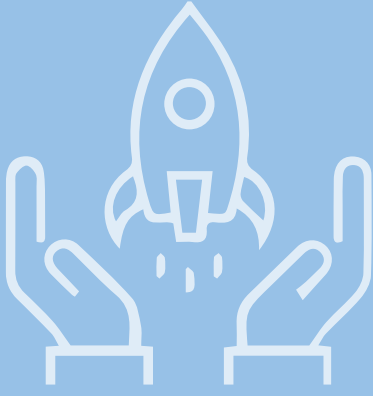

Participation in Seed Spark Program

Stanford for Seed Spark Program

AIC- RMP is truly glad to announce its collaboration with Stanford for Seed Spark Program to give early-stage entrepreneurs the business training that follows the five-month online curriculum for the upcoming Cohort 5. Seed spark shall deliver essential business training to early stage start-ups. 10 selected startups from AIC- RMP shall get to experience structured mentoring from the world-class faculty which is developed by Stanford GSB.
