2025

Dear friends and colleagues!

Welcome to the 9-th International Conference on Computational Linguistics and Intelligent Systems (CoLInS2025).

The conference will take place on May 15-16, 2025 at National Technical University "Kharkiv Polytechnic Institute" (Kharkiv, Ukraine) in **hybrid mode**. The important dates are as follows:

Paper Submission deadline: 15 March 2025
Notification of acceptance: 25 April 2025
Notification for camera-ready: 10 May 2025
Conference: 15-16 May 2025

The conference is planned to be conducted in the following formats: Main Conference, Workshop 1 on Computer Linguistics and Workshop 2 on Intelligent Systems.

The main conference will host high-profile keynote speakers and experts as well as students and/or PhD students to discuss the recent trends in computer linguistics and intelligent systems.

For WORKSHOP 1 and WORKSHOP 2 we would like to invite everyone to share **own experience, developments and / or technologies** which have been successfully implemented in practice to resolve particular problems in these **fields of computer science**.

The minimum size of the paper is 10 pages, except for invited papers (represented by key-note speakers). The paper format and style shall be as per CEUR template. We would like to draw your attention that there are different templates for these three conference formats.

When preparing your submission, kindly study paper selection criteria. Besides that, make sure that your paper meets CEUR-WS.org **requirements regarding the authors' DBLP publications** (https://ceur-ws.org/HOWTOSUBMIT.html#FAQ-DBLPFOOTPRINT).

All papers in PDF format shall be submitted using via Conference site.

There is no conference fee for all participants.

Greetings,

CoLInS 2025 Program Committee
and
CoLInS 2025 Co-Chairs
Prof. Nataliia Sharonova
Prof. Vasyl Lytvyn
