

# PLOS Academic Editor's Guide to Editorial Manager

Applies to: [PLOS Complex Systems](#) | [PLOS Computational Biology](#) | [PLOS Digital Health](#) | [PLOS Genetics](#) | [PLOS Neglected Tropical Diseases](#) | [PLOS Pathogens](#) | [PLOS Sustainability and Transformation](#)

All PLOS journals use the submission system, Editorial Manager (EM), provided by Aries Systems. Below you will find step-by-step instructions and screenshots for handling manuscripts as an Academic Editor.

# Getting Started

## Login

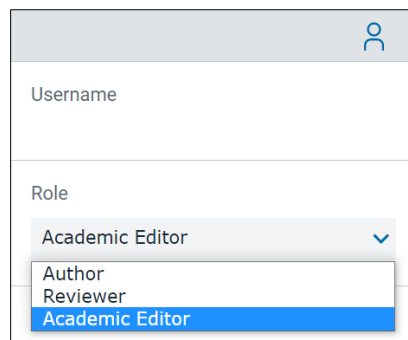

- 1 Log in to your journal's Editorial Manager: [PLOS Complex Systems](#) | [PLOS Computational Biology](#) | [PLOS Digital Health](#) | [PLOS Genetics](#) | [PLOS Neglected Tropical Diseases](#) | [PLOS Pathogens](#) | [PLOS Sustainability and Transformation](#)

*When you joined the Editorial Board, the Editorial Board Services team set up your profile with Academic Editor permissions.*

- 2 Enter your Username and Password and click **Editor Login** to access your editor main menu.

*If you log into EM as a reviewer or author, you can change your role to Academic Editor using the **Role** drop down menu after clicking on your name in the top navigation bar.*

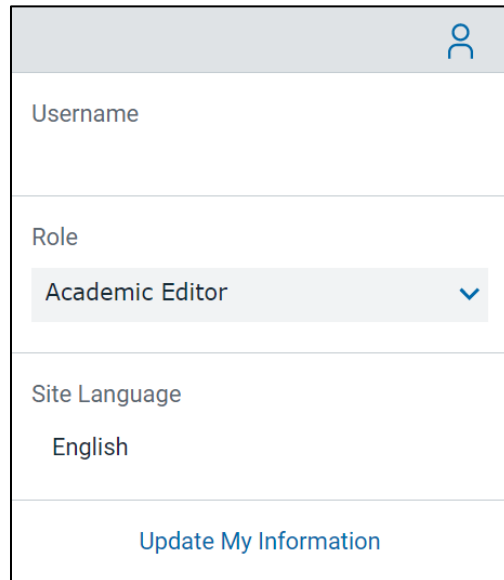

## Indicate Your Areas of Expertise

This step is critical to help match submissions to your areas of expertise. **Personal Classifications** aid with automated matching and are from the PLOS taxonomy. Free-text

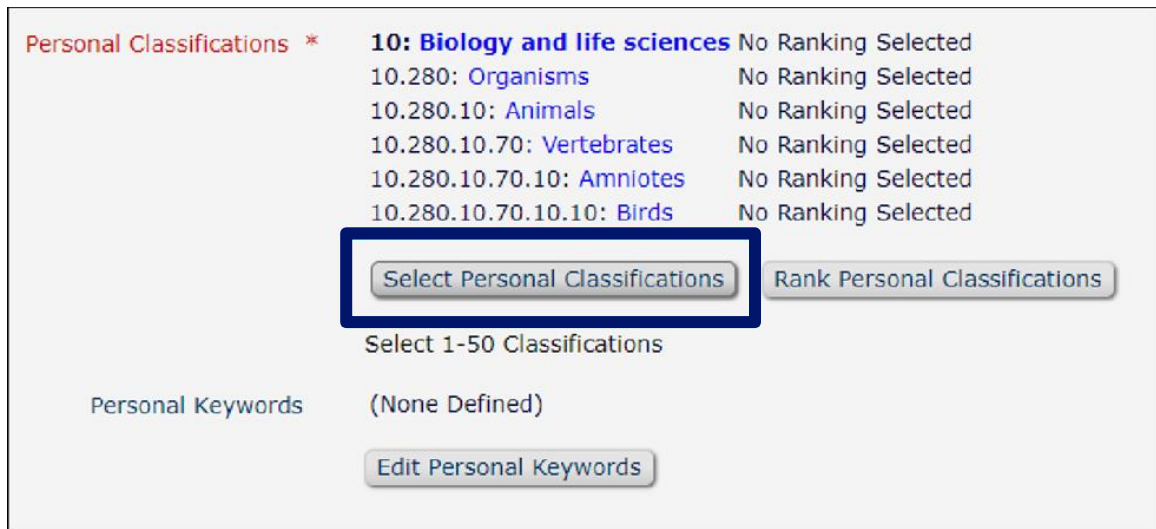

**Personal Keywords** help guide staff-initiated invitations.

1. Click on your name in the top navigation bar then **Update My Information**

A screenshot of a user profile update form. At the top right is a user icon. The form contains the following fields: 'Username' (text input), 'Role' (dropdown menu with 'Academic Editor' selected), and 'Site Language' (text input with 'English' selected). At the bottom is a blue button labeled 'Update My Information'.

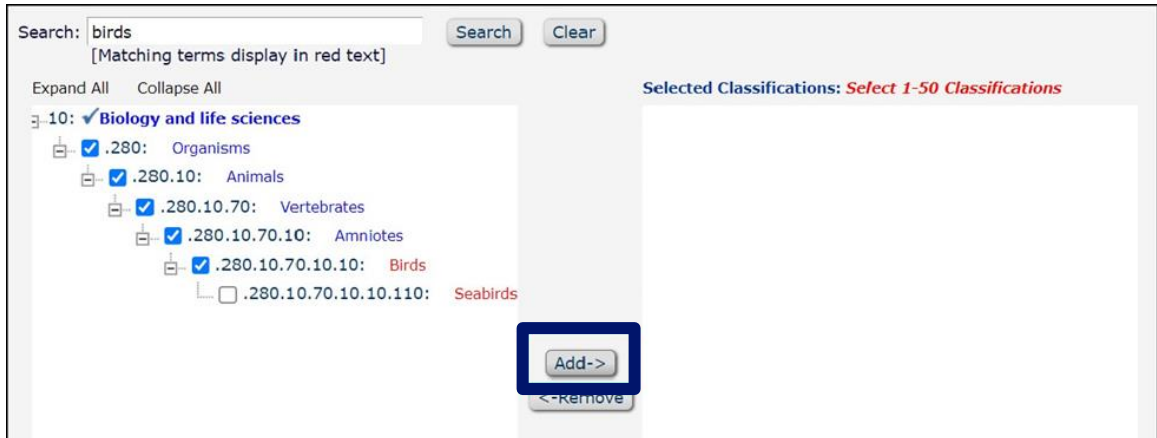

2. Navigate to **Areas of Interest or Expertise** and indicate your areas of expertise using **Personal Classifications** and **Personal Keywords**.
3. Click **Select Personal Classifications**.

A screenshot of the 'Personal Classifications' section. It shows a list of classification terms with their corresponding 'No Ranking Selected' status. The terms are: '10: Biology and life sciences', '10.280: Organisms', '10.280.10: Animals', '10.280.10.70: Vertebrates', '10.280.10.70.10: Amniotes', and '10.280.10.70.10.10: Birds'. Below the list are two buttons: 'Select Personal Classifications' (highlighted with a blue box) and 'Rank Personal Classifications'. Below these buttons is the text 'Select 1-50 Classifications'. At the bottom, there is a 'Personal Keywords' section with '(None Defined)' and an 'Edit Personal Keywords' button.

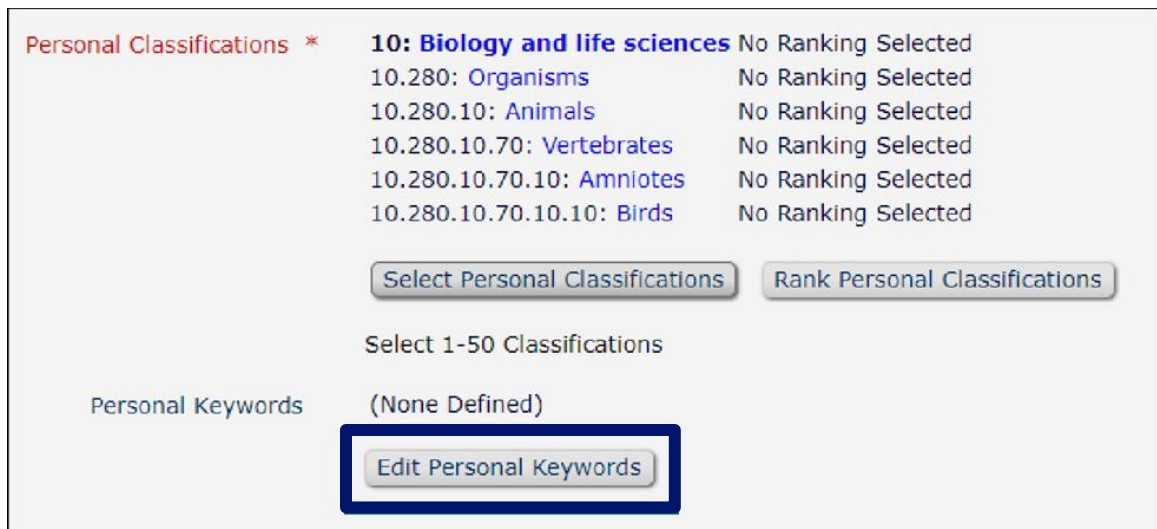

- a. This will ask you to select terms from a pre-defined taxonomy. You can browse the taxonomy or use the search bar to find and select available terms.

- b. When you've found your term, select it and click **Add ->** to add it to your Selected Classifications. This will also select and add the higher-level terms above them.

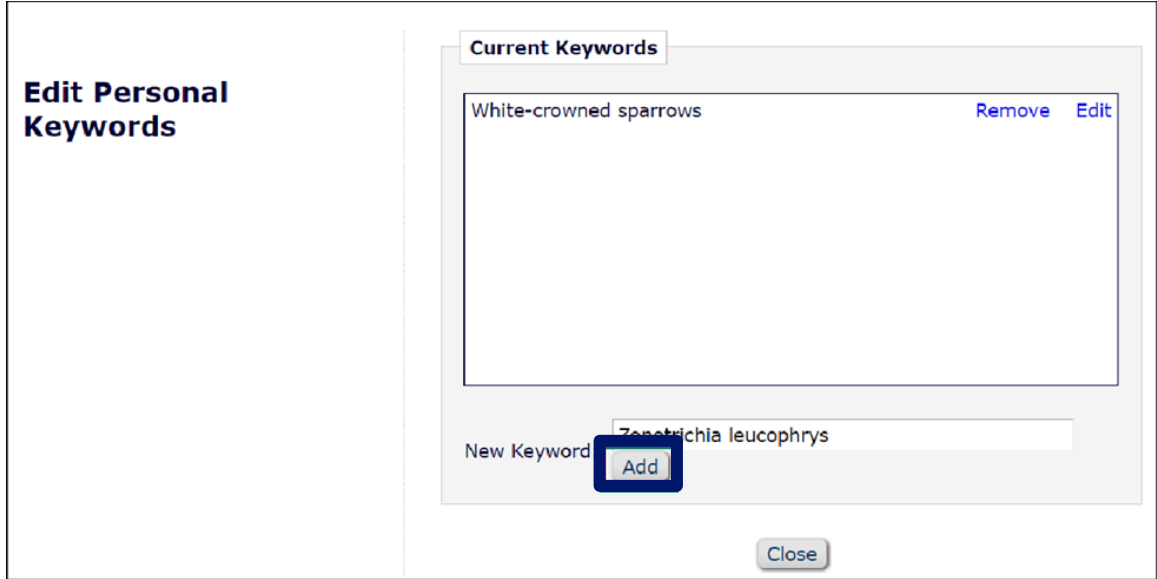

- c. You must click **Submit** to save changes.

4. If a term is not available in the Classifications, you can add free-text **Personal Keywords** by clicking the **Edit Personal Keywords** button.

- a. Type free text into the **New Keyword** box then click **Add**.

- b. These terms save as they are added so you can close the window as normal when you are done.

### ORCID

In the **Personal Information** section you can link your ORCID to your Editorial Manager account. Clicking **Fetch/Register** will open a new window where you can login to ORCID and authorize.

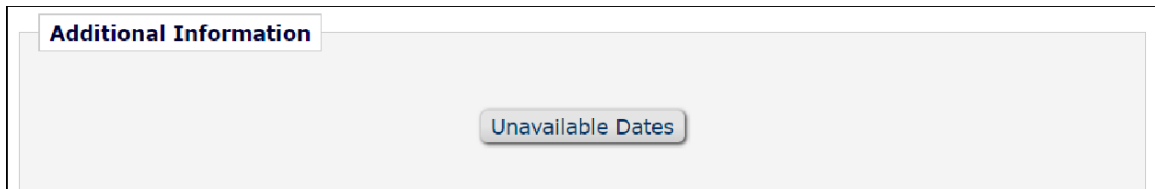

### Personal and Institution Related Information

You can update your personal information at any time. Required fields are in red text and have an asterisk next to the label. You must click **Submit** at the bottom of the page to save changes.

## Unavailable Dates

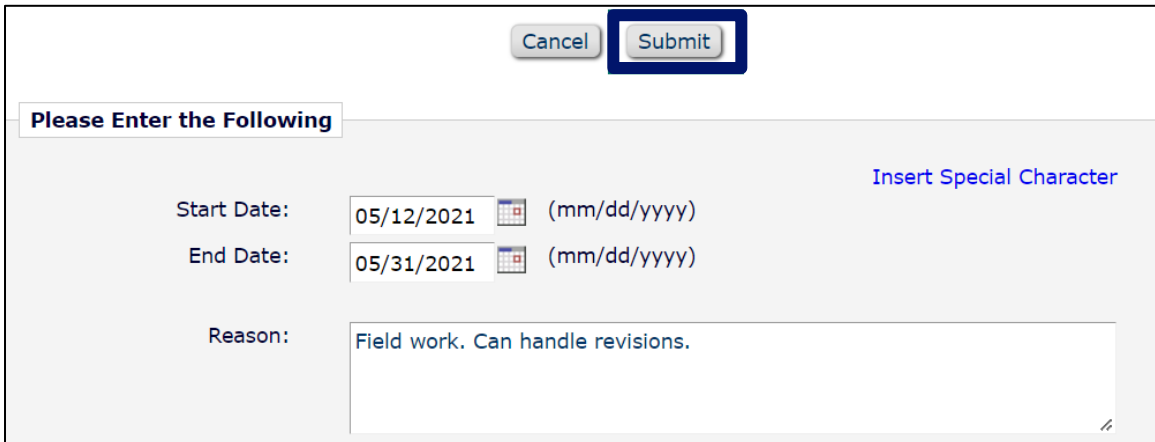

In the **Additional Information** section at the bottom of the page you have the option to select **Unavailable Dates**. Use these when you will be away, very busy, or otherwise unavailable to accept new invitations. Please indicate if you are available to handle the revised submissions you have already been working on.

1. Click **Unavailable Dates**.

A screenshot of a web interface showing a tab labeled "Additional Information". Below the tab is a large, light gray rectangular area containing a single button labeled "Unavailable Dates".

2. Click **Add New Unavailable Date**.
3. Add in a **Start Date**, **End Date**, and **Reason**, specifying whether you can handle revisions of your current assignments. You must click **Submit** to save changes. You do not have to enter any substitutes.

A screenshot of a form titled "Please Enter the Following". At the top right are "Cancel" and "Submit" buttons. The form contains three fields: "Start Date" with the value "05/12/2021" and a calendar icon, "End Date" with the value "05/31/2021" and a calendar icon, and "Reason" with the text "Field work. Can handle revisions." There is also a link "Insert Special Character" on the right side.

### New Invitations

Typically, you will respond to manuscript invitations directly from your email. You can also accept or decline invitations, as well as read the full submission, from the **New Invitations** page under your **Editor 'To-Do' List**.

1. From your **Main Menu** navigate to the **Editor 'To-Do' List** section and click on **New Invitations**
2. Here you will see a list of your pending manuscript invitations.

From here you can:

- a. Click **View Submission** to download the full submission PDF
- b. Accept an invitation by clicking **Yes I will take this Assignment**
- c. Decline an invitation by clicking **No I will not take this Assignment**
  - i. If you decline the invitation you will be prompted to enter a **Reason for Decline**. Your selection informs journal staff about the suitability of invitations, your availability, and next actions on the manuscript.

### Decline Invitation

Select your decline reason below.

If selecting "Not suitable for peer review" or "Other," please provide details in the box. If you are able, please suggest other Academic Editors who may be qualified to serve as Editor for this manuscript, as well.

If selecting "Currently too busy, but in my area of expertise," we may contact you at a later date if we require further input on the submission at a later stage.

If you will be unavailable for an extended period, please visit [Update My Information](#) and click "Unavailable Dates" and then "Add New Unavailable Date" to let us know.

## Discussions

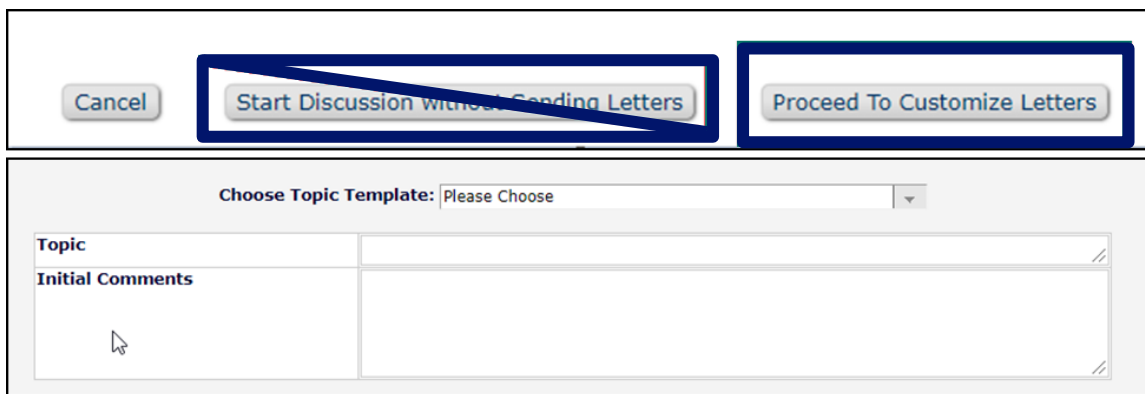

### Initiate a Discussion

1. If a paper does not yet have any discussions, click **Initiate Discussion** to open one. If the paper has previous discussions, Initiate Discussion will be replaced with **Discussions** and

you will need to click **Start New Topic**.

2. Fill out the **Topic** and then your **Initial Comments**.
3. Once your comments are ready you can add participants via the search function. When you have found the people you are looking for, tick the box next to their name. Then click **Proceed to Customize Letters**.

Do **NOT** select Start Discussion Without Sending Letters. If this is selected the discussion will start but no one will be notified and you may not get a response.

4. Click **Confirm Selections and Proceed** to send the Discussion Invite letter

## Respond to a Discussion

1. You will receive invitations to participate in discussions via email. Click on the link within the email to access your **Submissions with Active Discussions** folder and click on the **Discussions** Action on the manuscript
2. Click **View** to see the conversation and participants
3. Add your **Comments** as needed and click **Post**. (You will also receive an email confirmation of your comments)

## History

This page contains a chronological listing of the manuscript's status and correspondence history. It is especially useful if you agree to handle a manuscript that was previously assigned to another Academic Editor or one that was transferred from another PLOS journal.

## File Inventory

This page contains all the files included in the submission including the cover letter, manuscript, and figures.

## Invite Reviewers

On this page you can search for reviewers, check reviewer invitation statuses, and manage secured reviewers.

## Reviewer Search

### Direct Search

Use this method if you have a reviewer in mind, are using an author-suggested reviewer, or found a potential reviewer on an external database.

On the **My Publication** tab you can search by a variety of criteria - the most reliable is email

The screenshot shows a search interface with two tabs: "My Publication" (selected) and "Web of Science Reviewer Locator". Below the tabs is a search form with the following fields:

Criterion	Is/Is not	Selector	Value
Last Name	is	Begins With	<input type="text"/>

A dropdown menu is open under "Criterion", showing options: Last Name, First Name, **E-mail Address**, Position, Department, Institution, City, State, Country or Region, Secondary Last Name, and Secondary First Name. To the right of the form are two buttons: "Add Search Option +" and "Search".

1. If your desired reviewer is in the database, their profile will appear in your search results along with some basic statistics on their past invitations and reviews. If they are not in the database you can [register them](#)
  - a. To invite the reviewer, click the **Inv.** box

Page: 1 of 1 (1 total Reviewers)      Display 10 results per page.

- b. To select the reviewer as an alternate, click the **Alt.** box. Alternate reviewers are automatically invited when invited reviewers decline.
- c. You can continue to find reviewers using the search fields after you make initial selections. EM will remember which reviewers you selected.

### Web of Science Reviewer Locator

The Web of Science Reviewer Locator is a tool to help you find, vet, and invite reviewers.

1. Select the Web of Science Reviewer Locator tab to use the tool.

2. The tool will return a list of suggested reviewers from Web of Science databases. Keep in mind that before inviting anyone, you still need to vet them for expertise match, appropriate seniority, and avoid any potential conflicts of interest.
3. If available, click on **View Researcher Profile and Publications** to open a potential reviewer's Web of Science profile in a new window

## Registering a New Reviewer

Many reviewers will already be in the EM database. However, if they aren't already, you'll need to register the desired reviewer prior to inviting them to review.

- Click **Register and Select New Reviewer**

Sorry, no Reviewers were found that match the search criteria.

Dear [Redacted],

You have been registered for the Editorial Manager online submission and peer review tracking system for PLOS ONE because an Academic Editor would like you to review a submission (you will receive a separate review invitation).

Here is your username and confidential password, which you need to access the Editorial Manager at <https://www.editorialmanager.com/pone/>.

Username: %USERNAME%  
Password: %PASSWORD%

This temporary password will expire after five days. You can change your password and other personal information by logging into the PLOS ONE website at <https://www.editorialmanager.com/pone/> and clicking on the Update My Information link on the menu.

Best regards,

To view the reviewer comments, click the suggested decision type for each reviewer individually. This will show the completed reviewer form for that reviewer. These comments - except for the recommended decision - are automatically pulled into your decision letter.

## Submit Editor's Decision and Comments

It is on this page that you will issue your **Decision**. You are also able to access the same content as the **View Reviews and Comments** page (e.g. reviewer comments)

1. Select your decision type at the top of the page then click **Proceed**. You do not need to type anything in the **Confidential Comments to Editor** nor the **Comments to Author** section. You will add your Academic Editor comments in the decision letter.

If you select **Reject and Transfer** you will also have to select [which PLOS journal](#) you are recommending transfer to.

2. The next page shows the draft decision with reviewer Comments to the Author. Click **Proceed** once more, which will take you to the decision letter.
3. In the **Modify Letter** dropdown you can select the appropriate template letter and add your own comments. You must add context to your editorial decision and not just pass on the reviewers'

comments.

4. Once complete, click **Submit Decision with Draft Letter** at the top or bottom of the page. The letter will go to the Section Editor for approval before being sent to the author.

## Send E-mail

On this page you can send ad hoc emails to any of the manuscript's contributors or the journal office. Select the desired letter, then click **Customize Letter** to open, customize as necessary, and send the letter.
