za nominacijo Obhodov kurentov za vpis na UNESCO Reprezentativni seznam nesnovne
kulturne dediščine človeštva**

Na območju Lancove vasi so kurenti v preteklosti spremljali orače. Pokrajinski muzej Ptuj-Ormož hrani fotografski material, kjer so zabeleženi prvi uradni nastopi oračev na karnevalu v Mariboru leta 1932. Naše maske izdelujejo nekateri mojstri na ptujskem območju, zvonci pa so izdelani v domačem okolju občine Videm. Zaradi velikega interesa po maskiranju v kurente, ki so spremljali orače (stevilo kurentov pri oračih je omejeno), smo leta 1991 ustanovili sekcijo Koranti, ki ima 70 članov. Nastopamo v lokalnem okolju (obisk domačij in hiš na vasi) in v tujini na raznih etnografskih festivalih in karnevalih. Od drugih kurentov se ločimo predvsem po obliki maske, saj so na vrh maske nasajeni rahlo navzdol ukrivljeni kravji rogovi.

Zavedamo se pomena ohranjanja te tradicija, zato podpiramo vsa prizadevanja, ki bodo omogočila vpis kurentovih obhodov na reprezentativni seznam nesnovne kulturne dediščine človeštva.

LETTER OF SUPPORT

For the nomination of the element Door-to-door rounds of Kurenti on the
UNESCO Representative List of the Intangible Heritage of Humanity

The area of Lancova Vas is known for its Kurenti who, in the past, used to accompany the ploughmen. The Ptuj-Ormož Regional Museum keeps photographic material documenting the first performances of ploughmen at the carnival in Maribor in 1932. Our attires are produced by certain master craftsmen in the Ptuj area, while the bells are made in the local environment in the community of Videm. Due to the increased interest in the figure of Kurenti accompanying the groups of ploughmen where their numbers are limited, we established in 1991 a separate section of Koranti now boasting 70 members. We perform door-to-door rounds in our local environment, and also abroad at various ethnographic festivals and carnivals. What make us different from other Kurenti is the hat which is topped with genuine cow's bells slightly turned downwards.

We are fully aware of the importance of the preservation of this custom and therefore support all efforts to inscribe the element Door-to-door rounds of Kurenti on the Representative List of the Intangible Heritage of Humanity.

PISMO PODPORE

za nominacijo Obhodov kurentov za vpis na UNESCO Reprezentativni seznam nesnovne
kulturne dediščine človeštva

Pustni obhodi kurentov so v Spuhli tradicija, ki jo od leta 1982 organizirano ohranja skupina fantov in mož. Na pustni ponedeljek zjutraj se kurenti zberemo in podamo na obhod po vasi. Kurenti iz Spuhle se redno udeležujemo tudi karnevalov po Sloveniji in tujini. Leta 2006 je bil član našega društva izbran za 7. princa ptujskega kurentovanja. V sklopu društva vsako leto (od začetka 90. let 20. stoletja) priredimo sejem kurentove opreme. Pomembno vlogo pri ohranjanju tradicije ima družina Klinc iz Spuhle, ki že stoletje oblikuje in šiva kurentove maske in kožuhe. Društvo je za svoje delovanje od Mestne občine Ptuj leta 1994 prejelo Zlati zvonec.

Zavedamo se pomena ohranjanja te tradicija, zato podpiramo vsa prizadevanja, ki bodo omogočila vpis kurentovih obhodov na reprezentativni seznam nesnovne kulturne dediščine človeštva.

LETTER OF SUPPORT

**For the nomination of the element Door-to-door rounds of Kurenti on the
UNESCO Representative List of the Intangible Heritage of Humanity**

Shrovetide rounds of Kurenti in the village of Spuhlja has been preserved in an organised way since 1982 notably by men and boys. On Shrovetide Monday morning, Kurenti gather to start their round through the village. We, Kurenti from Spuhlja, regularly participate in various carnival festivals in Slovenia and abroad. In 2006, a member of our Society was appointed Prince Carnival VII. Since the 90s of the 20th century, the Society has been organising a fair of Kurenti attire. An important role in the preservation of the custom is held by the family Klinc from Spuhlja, as they have been producing Kurenti attires, including masks and hats, for a century. In 1994, the Society received a Golden Bell from the Ptuj City Municipality for its successful functioning. We are fully aware of the importance of the preservation of this custom and therefore support all efforts to inscribe the element Door-to-door rounds of Kurenti on the Representative List of the Intangible Heritage of Humanity.

PISMO PODPORE
za nominacijo Obhodov kurentov za vpis na UNESCO Reprezentativni seznam nesnovne
kulturne dediščine človeštva

Prvi znani zapisi o kurentu v Markovcih segajo v leto 1892, ko je v cerkveni kroniki kronist in župnik v Markovcih opisal lik kurenta (koranta). Od takrat se mladi fantje na območju devetih vasi občine Markovci oblečejo v kurentijo (korantijo). V začetku 40. let 20. stoletja je bilo v Markovcih ustanovljeno folklorno društvo, ki je bilo prvi pobudnik organiziranega maskiranja v kurenta. Na prvem karnevalu na Ptaju leta 1960 so bili prisotni tudi kurenti iz Markovcev in okoliških vasi. Leta 1992 smo v novoustanovljenem društvu Etnološko društvo Korant Markovci organizirali prvo pustovanje, imenovano Fašenk v Markovcih.

Zavedamo se pomena ohranjanja te tradicija, zato podpiramo vsa prizadevanja, ki bodo omogočila vpis kurentovih obhodov na reprezentativni seznam nesnovne kulturne dediščine človeštva.

LETTER OF SUPPORT

For the nomination of the element Door-to-door rounds of Kurenti on the
UNESCO Representative List of the Intangible Heritage of Humanity

The first written records of Kurenti in Markovci date back to 1892 when a chronicler and priest in Markovci described the figure of Kurenti in the church chronicle. Since then, young men living in nine villages which form the municipality of Markovci have been putting on a Kurenti attire. At the beginning of the 40s of the 20th century, a folklore society was established in Markovci; the society also initiated the first organised event of Kurenti. The very first carnival festival in Ptuj – Kurentovanje in 1960 featured also Kurenti from Markovci and other neighbouring villages. In 1992, the society changed into Ethnological Society Koranti Markovci and organised the first carnival event called "fashenc" in Markovci.

We are fully aware of the importance of the preservation of this custom and therefore support all efforts to inscribe the element Door-to-door rounds of Kurenti on the Representative List of the Intangible Heritage of Humanity.

PISMO PODPORE

za nominacijo Obhodov kurentov za vpis na UNESCO Reprezentativni seznam nesnovne kulturne dediščine človeštva

Skupina kurentov Center Ptuj je bila stanovljena leta 1991 in je takrat štela 10 članov. Leta 2001 smo ustanovili društvo, ki danes šteje 20 aktivnih članov. Od svečnice do pepelnice po tradiciji obiskujemo družine članov, naše podpornike in mestna središča. Sodelujemo na različnih karnevalih doma in v tujini, kjer s pomočjo obrednega plesa odganjamo zlo in prinašamo srečo in zadovoljstvo. Plemenitost našega obreda pa se kaže v tem, da ne trpi zgolj tisti, ki je sreče potreben, temveč predvsem tisti, ki srečo prinaša. Potrebno je namreč vedeti, da je opravljanje tega poslanstva fizično zelo naporno, saj celotna oprava tehta tudi do 40 kg.

V našem društvu smo vrsto let vodili aktivnosti za nastanek zvez druhov kot nosilca bodoče nominacije kurentovih obhodov za vpis na reprezentativni seznam nesnovne kulturne dediščine človeštva. Zato podpiramo vsa prizadevanja, ki bodo omogočila to nominacijo na UNESCO Reprezentativni seznam nesnovne kulturne dediščine človeštva.

LETTER OF SUPPORT

**For the nomination of the element Door-to-door rounds of Kurenti on the
UNESCO Representative List of the Intangible Heritage of Humanity**

The group of Kurenti Center Ptuj was established in 1991 counting only 10 members. In 2001 an association was founded which counts nowadays 20 active members. From Candlemas to Ash Wednesday, we pay visits to families of our members, to our supporters and others living in the centre of town. We participate in various carnival events in Slovenia and abroad, and help, through our ritual dance, chase evil away and bring luck and happiness. The noble cause of our ritual is proved by the fact that the one who is seeking happiness is not the only one to suffer, but the one who is bringing it suffers much more. Namely, it is important to know that the performance of the mission is physically extremely strenuous as the whole attire can weigh up to 40 kg.

For many years, our Association has been actively involved in the creation of the Federation of Kurenti Associations as the bearer of the nomination to inscribe the Door-to-door rounds of Kurenti on the Representative List of the Intangible Cultural Heritage of Humanity. Therefore, we actively support efforts to inscribe the element on the UNESCO Representative List of the Intangible Cultural Heritage of Humanity.

Every year, from Candlemas to Ash Wednesday, we organise various workshops for children where they can learn about Kurenti, and thus we take care of the transmission of the heritage to younger generations. The Society also organises a fair of Kurenti second-hand attires, while it presents to visitors during the whole year the figure of Kurenti and their mission. Members of the Society perform the rounds every year during the Shrovetide period and participate in the carnival in Ptuj. Of course, we also take part in other carnival events in Slovenia and abroad. In 2012, the president of the Society was appointed Prince Carnival XIII.

We are fully aware of the importance of the preservation of this custom and therefore support all efforts to inscribe the element Door-to-door rounds of Kurenti on the Representative List of the Intangible Heritage of Humanity.

PISMO PODPORE
za nominacijo Obhodov kurentov za vpis na UNESCO Reprezentativni seznam nesnovne kulturne dediščine človeštva

Leta 1829 je v cerkveni kroniki sv. Marka niže Ptuja kronist opisal lik koranta (kurenta). Že takrat so se fantje z Markovškega v pustnem času oblačili v korantije. Leta 1938 je v Markovcih skupina mladih fantov ustanovila folklorno društvo, v sklopu katerega vse od takrat deluje tudi sekcija korantov. V Prvencih sta bila po drugi svetovni vojni znana koranta s Šponove domačije – Franc in Alojz Strelec, v petdesetih letih pa Ivan in Viktor Strelec. S Šponove domačije izhaja tudi korant in 12. princ Ptujskega karnevala Janez Golc. Januarja 2012 je bilo ustanovljeno društvo Baron, ki s sekциjo korantov ohranja dediščino tega lika.

LETTER OF SUPPORT

**For the nomination of the element Door-to-door rounds of Kurenti on the
UNESCO Representative List of the Intangible Heritage of Humanity**

In 1829, a chronicler described the figure of Kurenti – Koranti in the church chronicle of St. Marko near Ptuj. Already back then, men would put on Kurenti attires at Shrovetide. In 1938, a group of young men established a folklore society in Markovci within which a section of Koranti has been operating since then. In the village of Prvenci, there were two Koranti who were well known after WW II: Franc and Alojz Strelec from Špon homestead; in the 50s, there were another two: Ivan and Viktor Strelec. The Špon homestead yielded also Prince Carnival XII, who is also Korant, Janez Golc. In January 2012, the society Baron was founded which, together with a section Koranti, preserve the heritage of this Shrovetide figure.

We are fully aware of the importance of the preservation of this custom and therefore support all efforts to inscribe the element Door-to-door rounds of Kurenti on the Representative List of the Intangible Heritage of Humanity.

Kulturno folklorno društvo Podlehnik je bilo ustanovljeno leta 1994. Prve skupine korantov so se v Podlehniku začele organizirati že leta 1939. V pustnem času (na pustno soboto, nedeljo, ponedeljek in torek do 12. ure) orači in koranti hodimo po vasi od hiše do hiše in ljudem zaželimo dobro letino in srečo pri hiši. Pri vsaki hiši orači zaorjejo, eden od korantov drži za plug, drugi pa poskakujemo naokoli. Sejavec poseje drob, pokar z bičem poka. Gospodar in gospodinja korante obdarita s klobasami, jajci, krofi in denarjem. Za podlehniškega koranta je značilno, da ima rogove obrnjene navzgor. The Cultural Folklore Society Podlehník was founded in 1994. First groups of Koranti started to get organised in Podlehník already in 1939. During the Shrovetide period (Shrovetide Saturday, Sunday, Monday and Tuesday to 12:00), the ploughmen and Koranti do the rounds from door to door wishing people abundant crops and prosperity. At every homestead, the ploughmen symbolically make few furrows, and while one of Kurenti holds the plough others jump around. The sower sows, the cracker cracks his whip. The landlord and his lady present Kurenti with sausages, eggs, doughnuts, and money. It is typical of Koranti from Podlehník to have cow's horns turned upwards. PISMO PODPORE K NOMINACIJI KURENTOVIH OBHODOV NA SEZNAM ŽIVE DEDIŠČINE POD UNESCO ZAŠČITO

V Vrtcu Ptuj verjamemo v prastari rek: »kar se majhen otroček nauči, to odrasel človek ve.« Vsa leta vlagamo izjemne napore, da vsak del naše bogate dediščine predstavljamo in ozaveščamo v dojemanju in sprejemanju najmlajših. V vse aktivnosti so vključeni vsi otroci od 11 mesecev starosti, do vstopa v osnovno šolo.

Verjamemo, da je bogastvo danosti našega okolja tolikšno, da lahko zahtevnost in predstavljanje posameznih likov postopoma in sistematično stopnjujemo in negujemo.

Tako ozaveščeno sprejemanje bo najboljša podlaga za aktivno udejstvovanje v vseh procesih in oblikah negovanja kulturne dediščine.

Zgoraj navedene cilje uresničujemo z naslednjimi aktivnostmi:

- Kulturno raznolikost našega okolja, še posebej lik KURENTA, uporabljammo za vso raznoliko ustvarjalno izraznost, na področju:

Likovne ustvarjalnosti

Jezikovne dejavnosti

Plesne izraznosti

Družbe in narave.

- Vsakoletno pustovanje najmlajših mask in kurentov, v katerem se zbere preko 1600 otrok iz cele Slovenije, v pohodu po starem mestnem jedru.
- Vsakoletno okraševanje z otroško ustvarjalnostjo izoblikovanih in ustvarjenih likov v vseh »resnih« stavbah mesta Ptuj..
- Vsakoletne postavitve razstav otroške likovne ustvarjalnosti na temo spoznavanja in ustvarjanja pustnih likov, med katerimi ima posebno mesto kurent.
- Vsa leta sodelujemo v številnih likovnih natečajih na katerih prav z otroškimi očmi izražen lik kurenta pripomore k doseganju najvišjih priznanj.
- Ob praznovanjih Praznika Vrtca Ptuj, v centralni prireditvi vedno predstavimo tudi lik kurenta v povezavi z običaji, kulinariko, aktivnostmi v sedanjem času in povezanosti z družinami.
- Z vsebinami zgodne obravnave in negovanja dediščine smo se vključili tudi v družbo UNESCO-vcev, UNICEF-ovcev in projekt Etika in vrednote v vzgoji in izobraževanju.
- Poseben dosežek je ustvarjena povest ali zgodbica, »Pustna pravljica«, ki jo spisala vzgojiteljica Helena Rogina po pripovedovanju in navdihu otrok v svoji skupini.

Z vsem naštetim utemeljujemo in podpiramo prizadevanja v nominaciji za umestitev KURENTOVIH OBHODOV na seznam žive dediščine pod UNESCO-vo zaščito.

**LETTER OF SUPPORT FOR THE NOMINATION OF
“DOOR-TO-DOOR ROUNDS OF KURENTI”
ON THE UNESCO REPRESENTATIVE LIST OF THE INTANGIBLE HERITAGE**

The kindergarten in Ptuj firmly believes in the old saying: “What a child learns, the adult knows.”

Throughout the years, the kindergarten has employed enormous efforts to present our rich heritage by adapting every part of it to the perception and understanding of small children. All activities are designed for children from 11 months of age to the moment they enter the elementary school.

It is our strong belief that this rich heritage is complex enough to deserve a systematic explanation and presentation resulting in a solid base of active participation in all processes and forms of the preservation of cultural heritage.

The above objectives are realised through the following activities:

- The cultural diversity of our region, and especially the figure of Kurenti, is used in all areas of children's creativity: painting, singing and reciting, dancing, learning about the society and nature.
- Every year, more than 1600 children from the entire country come to Ptuj to make a carnival procession through the town during the carnival time.
- Every year during carnival, all “severe” buildings in Ptuj get decorated with ornaments made by our children.
- Every year, there is an exhibition displaying carnival figures and masks viewed through children's eyes and made by them; a special place is held by Kurenti.
- Every year, the kindergarten participates in numerous painting contests, and the figure of Kurenti, seen and imagined by children, has earned several highest awards.
- For special feasts, such as the Day of Kindergarten, the figure of Kurenti is always presented in a specific context, such as gastronomy, customs, modern times, families.
- With topics concerning early learning about and nurturing of the heritage, we are now part of UNESCO, UNICEF, and the project: Ethics and values during the learning and educational process.
- A special achievement is a story “Carnival Tale”, by Helena Rogina, one of our employees, who was inspired by children in her group telling different stories.

Owing to what is said above, we fully support the nomination of the element Door-to-door rounds of Kurenti on the UNESCO Representative list of the intangible heritage.

PISMO PODPORE K NOMINACIJI KURENTOVIH OBHODOV NA SEZNAM ŽIVE DEDIŠČINE POD UNESCO ZAŠČITO

Na OŠ Ljudski vrt Ptuj že leta aktivno skrbimo za ohranjanje kurentove dediščine s številnimi dejavnostmi in akcijami.

Naj naštejem le nekatere:

- Vsako leto v predpustnem času iz različnih materialov in z različnimi likovnimi tehnikami izdelujemo podobo kurenta.
- Izdelki s podobo krenta so pogosto naše darilo posebnim gostom, lani smo ga dali tudi predsedniku države.
- Vsebine o kurentu so obvezni sestavni del vsebin pri slovenskem jeziku in spoznavanju okolja. Številni pisni izdelki učencev obravnavajo kurenta.
- Vsako leto pripravimo razstave v času pusta (v šoli in v različnih javnih prostorih) in pogosto je osrednji lik kurent.
- Skupina kurentov vsako leto v pustnem času obišče našo šolo, kjer si jih lahko ogledajo vsi učenci.
- Vsem gostom, ki prihajajo k nam iz tujine, predstavimo lik kurenta kot naš krajevni ponos.

PISMO PODPORE

za nominacijo enote "Obhodi kurentov" na UNESCO Reprezentativni seznam žive kulturne dediščine človeštva

Osnovna šola Mladika je najstarejša osnovna šola v Ptiju. Njena ugodna lega ob mestnem jedru, ob mestnem parku in mestnem stadionu nam omogoča aktivno vključevanje v dogodke v Ptiju in s tem posredno kvalitetnejšo vzgojno-izobraževalno delo. Eden izmed temeljnih ciljev učnega procesa v vseh razredih je ohranjanje kulturne dediščine, med katero sodi tudi edinstvena tradicionalna pustna maska Ptudskega in Dravskega polja ter Haloz – **kurent**.

Vzgojno-izobraževalne aktivnosti na naši šoli z vsebino ohranjanja tradicionalnega pustnega lika – kurenta, ki v različnih oblikah dela potekajo vsako leto v vsakem oddelku:

- likovna upodobitev kurenta v različnih tehnikah (risba, slika, grafika, kip ...),
- prozno in epsko upovedovanje običajev vezanih na lik kurenta,
- ogled zbirk na ptujskem gradu, med katerimi je z vzgojno-izobraževalnega vidika izjemno pomembna zbirka Tradicionalne pustne maske s poudarkom na liku kurenta,

- na pustni torek maskiranje vseh učencev in zaposlenih ter pustno rajanje v šoli.

Učenci, starši in vsi zaposleni smo ponosni, da izhajamo iz kraja v katerem domuje kurent, kateri nas še danes očara s svojo demonsko močjo. Ravno zaradi njegove mistike skrbno negujemo njegovo dediščino, kar dokazuje pustni čas, ko se več kot polovica učencev in zaposlenih odene v tradicionalne pustne like, med katerimi prevladujemo kurenti. Nenazadnje so promocijska darila šole glineni kipi kurenta ali glinene upodobitve kurentove maske, katera vsa izdelajo učenci sami.

LETTER OF SUPPORT

for the nomination of “Door-To-Door Rounds of Kurenti” on the UNESCO Representative list of the intangible heritage of humanity

Mladika is the oldest elementary school in Ptuj. It is situated close to the town centre, near the town park and stadium which enables the school to actively participate in various events happening in Ptuj as well as to provide for quality curricula. One of the basic objectives of all educational programmes is to teach children about the preservation of cultural heritage among which the first place is held by a carnival figure known in Ptuj and Drava Fields and Haloze hills – Kurenti.

Educational activities including the preservation of the carnival figure – Kurenti, and which last during the entire school year, are:

- artistic representations of Kurenti in various techniques: drawing, painting, graphics, sculpture;
- customs related to Kurenti which can be found in literature;
- visit of the collections at the Ptuj castle among which is the exhibition of Traditional Carnival Masks with an emphasis on Kurenti;
- the project How To Choose My Future Career comprises a visit to a local craftsman who manufactures the Kurenti's outfits;
- workshops for children and parents during which they produce carnival masks and decorations;
- during the carnival time – manufacture of indoor and outdoor decorations for the school and some other buildings in the old town centre;
- active participation of children in at least one carnival event in Ptuj;
- Shrove Tuesday – all children and employees come disguised for the masked ball.

Children, parents and employees are proud of living in the area which is home of Kurenti, for even nowadays their demonic power is still awe inspiring. It is because of their mysticism that their heritage is carefully preserved. This is proved every year at the carnival time when more than a half of children and employees put on traditional masks among which prevail Kurenti. Last but not least, gifts and presents intended for our guests are clay statues of Kurenti or simply of Kurenti facial mask made by children of our school.

ZADEVA: Pismo podpore k nominaciji kurentovih obhodov na seznam žive dediščine pod UNESCO zaščito

Na OŠ Breg že vrsto let posvečamo pozornost ohranjanju kulturne dediščine v ožjem in širšem lokalnem okolju. Med njimi so tudi etnografski pustni liki z likom **kurenta** kot osrednjega pustnega lika našega okolja.

Aktivno se vključujemo v promocijo kurenta s številnimi dejavnostmi in aktivnostmi:

- V predpustnem času vsako leto namenimo dan pouka izdelavi lika kurenta in ostalih pustnih likov iz različnih materialov in z uporabo različnih tehnik.
- Vsebine in zapisi o kurentu so obvezni del vsebin pri pouku materinščine od 1. do 9. razreda in predmeta spoznavanje okolja, družbe ter ostalih predmetov.
- Vsako leto sodelujemo pri predpustni okrasitvi mestnega središča in posameznih lokalov. Obvezni sestavni del te okrasitve je tudi lik kurenta.
- Gostom iz tujine, s katerimi se srečujemo predstavimo lik kurenta, kot ponos in izvirni lik okolja. Pri izvajанию projektov Comenius in Erasmus+ partnerjem kot priložnostni spominek podarimo lik kurenta, kot izdelek učencev in okolja.
- V pustnem času šolo obišče skupina kurentov in predstavijo sporočilno vrednost in poslanstvo lika učencev.

Na pustni torek v šoli pripravimo pustno rajanje za učence. Tega se učenci udeležijo maskirani. Med njimi je vedno tudi skupina učencev oblečena v lik kurenta. Tako najbolj neposredno širijo podobo in sporočilno vrednost kurenta med sovrstniki.

Posledica tega je vedno večja navdušenost mladih, da se v pustnem času poistovetijo z likom kurenta in ga predstavljajo v okolici.

SUBJECT: Letter of support for the nomination of “Door-To-Door Rounds of Kurenti” on the UNESCO Representative List of the intangible heritage

The elementary school Breg has been working on the preservation of the cultural heritage for years. Acting in the local and also wider area, the school has put a special emphasis on ethnographic carnival figures placing Kurenti in the very core of the regional heritage.

The school actively participates in all kinds of promotion of Kurenti, and especially through the following activities:

- In the pre-carnival time one whole day is dedicated to the manufacture of Kurenti, and also of other carnival figures, out of various materials and by using different techniques.
- Topics and writings dedicated to Kurenti are part of mandatory curricula from the first to the ninth term, and are treated in particular during the course of the Slovene language and environment and society course.
- Every year, the school participates in the decorating of the town core and different public places; decorations without Kurenti cannot even be imagined.
- All our guests, especially from abroad, get to know Kurenti. During the implementation of projects, such as Comenius and Erasmus+, we offer our partners souvenirs in the form of Kurenti made by our children.
- During the carnival time, a group of Kurenti visits school and presents their mission and values to the school children.

On Shrove Tuesday, there is a carnival ball for all children of our school. They all come masked. There is always at least one group of children wearing Kurenti's outfits. As such, they share in the most direct way their vision and appreciation of Kurenti among peers.

Consequently, more and more children get to like the figure of Kurenti and try to identify themselves with them.

PISMO PODPORE

K NOMINACIJI KURENTOVIH OBHODOV NA REPERZENTATIVNI SEZNAM ŽIVE KULTURNE DEDIŠČINE ČLOVEŠTVA

Občina Podlehnik se nahaja v središču osrednjega dela Haloz kjer domuje tako imenovani rogati kurent. O pomenu pustnega časa in kurentovih obhodov največ povedo izjave članov Kulturno folklornega društva Podlehnik, ki so zapisali takole: . Pust – fašenk, kot pravimo Podlehničani, je star stoletja, leta njegovega pričetka ne pozna nihče, vemo pa to, da smo v mladih letih, pred desetletji, fašenk še kako potrebovali, posebej otroci! Našemljeni v različne maske pa vse do oračev smo mlađi in manj mlađi od pustne nedelje do torka tekali od hiše do hiše, opravljal razne obrede in zganjali norčije, da smo si prislužili kakšen dinar. A zgodovina se ponavlja in težki časi prihajajo nazaj. Verjamem, da bo pust spet postal nuja, da bo odgnal hinavščino, zavist, prestiž in hudobijo, prinesel pa vsaj malo logike in pameti »njapametnejšim«. Zgoraj citirane besede povedo vse kaj našim občankam in občanom predstavlja pustna tradicija še zlasti kurenti. Zato z veseljem podpiramo vas prizadevanja, ki bodo kurentove obhode umestile na Reprezentativni seznam žive kulturne dediščine človeštva.

LETTER OF SUPPORT

FOR THE NOMINATION OF THE ELEMENT “DOOR-TO-DOOR ROUNDS OF KURENTI” ON THE REPRESENTATIVE LIST OF THE INTANGIBLE CULTURAL HERITAGE OF HUMANITY

The community of Podlehnik lies in the heart of the central part of hilly Haloze which is home to the so-called “horned” Kurenti. The importance of carnival and rounds of Kurenti is best shown in what members of Cultural-Folklore Association Podlehnik wrote about it: “Carnival – FASHENC, as we in Podlehnik call it, is centuries old, and no one knows when it really began. What we do know is that when we were young, decades ago, we needed carnival very much, especially we, the children. From the carnival Sunday to Shrove Tuesday, we, young and less young, wearing different masks and even disguised as ploughmen, would go from door to door making funny things and performing various rites in order to earn some money. But the history is about to repeat itself and hard times are back. We believe that the carnival is about to become a must to chase away hypocrisy, jealousy, prestige and evil, and bring a bit of logical thinking and wisdom to the most “wise” ones.”

The above quotes clearly show what the carnival tradition, and especially Kurent, means to our residents. Therefore, we fully support the efforts to list the element “Door-to-door rounds of Kurenti” on the Representative list of the intangible cultural heritage of humanity.

Sincerely yours,

Mayor

**PISMO PODPORE K NOMINACIJI KURENTOVIH OBHODOV NA REPERZENTATIVNI SEZNAM ŽIVE
KULTURNE DEDIŠČINE ČLOVEŠTVA**

Občina Markovci se ponaša s številnimi lepotami in znamenitostmi. Med najpomembnejše zagotovo sodi izjemna etnografska pustna dediščina s številnimi izvirnimi liki kot so: orači, piceki, ruse, vile, medvedi, kopjaši in seveda nepogrešljivi markovški koranti. Za ohranjanje te tradicije ima ob občini največ zaslug Etnografsko društvo Korant in Folklorno društvo Anton Jože Strafela. Z njihovo pomočjo v naši občini vsako leto organiziramo sobotno pustno povorko na kateri so prikazani vsi tradicionalni pustni običaji. V tej povorki sodelujejo praktično vsi občani in občanke. Eni v maskah, drugi v organizaciji in tretji kot dobri gostitelji, ki sleherni maski v povorki odprejo lastna dvorišča in jih v zahvalo za dobre želje tudi pogostijo.

Naš slogan: »Zaživite korantovo deželo«, ki ga uporabljamo v celostni podobi naše občine, največ pove o pomenu korantovega poslanstva za naše občanke in občane. V naši občini praktično ni nobene hiše, kjer ne bi negovali etnografske pustne dediščine. Domačije brez korantove oprave pa praktično ni domačija. Korant predstavlja osrednji identifikacijski simbol, ki je ponesel ime naše občine po domovini in tujini.

Ker verjamemo, da bo z vpisom Kurentovih obhodov na Reprezentativni seznam žive kulturne dediščine človeštva, veliko pridobila celotna zakladnica človeške kulture, z veseljem podpiramo to nominacijo.

LETTER OF SUPPORT FOR THE NOMINATION OF THE ELEMENT "DOOR-TO-DOOR ROUNDS OF KURENTI" ON THE REPRESENTATIVE LIST OF THE INTANGIBLE CULTURAL HERITAGE OF HUMANITY

The community of Markovci is well known for many beautiful and interesting sights. Among the most important ones is undoubtedly the exceptional ethnographic-carnival heritage comprising numerous original carnival elements, such as ploughmen, cockerels, "ruse" (symbolised cattle), Fairies, bears, spearmen and indispensable Koranti from Markovci. The Ethnographic society Korant and the Folklore society Anton Jože Strafela are probably the most meritorious in the preservation of the carnival tradition. With their help, the community organises every year a Saturday procession featuring all traditional carnival customs. Practically all residents participate in the parade. Some are disguised, others are involved in the organisation, some act as hosts inviting the masks to their homes and offering them food and drink.

Our motto: "Experience the Land of Koranti", used by our community, probably says enough about the importance the mission of Koranti represent to us and our residents. The ethnographic-carnival tradition is present in almost every house of our community, and a house without a Korant's outfit cannot be truly called "home". Korant is the main symbol of our identity and has spread word about our community home and abroad. It is our firm belief that the inscription of the element "Door-to-door rounds of Kurenti" on the Representative list of the intangible cultural heritage of humanity, will benefit to the entire treasure-trove of human culture, and therefore, we fully support the nomination.

PISMO PODPORE K NOMINACIJI KURENTOVIH OBHODOV NA REPERZENTATIVNI SEZNAM ŽIVE KULTURNE DEDIŠČINE ČLOVEŠTVA

Občina Dornava se razprostira po ravnicah Ptujskega polja, ki se med ostalim ponaša z bogato pustno tradicijo. Osrednjo dogodek, »Fašenk po Dornavsko« vsako leto privabi veliko število etnografskih in karnevalskih mask, ki na pustni ponedeljek prikažejo vso bogastvo te dediščine. Pri pripravah na ta velik kulturni dogodek sodelujejo praktično vsa kulturna društva, zavodi in številni posamezniki. V vlogi glavnega organizatorja je v začetku nastopalo Turistično etnografsko društvo Lükari, ki ga sestavlja šest sekcij, cigani, aranžiranje, ljudske pevke, lükari, orači in koranti, danes pa je glavni organizator Občina Dornava. Posebno nalogu v času pusta prevzamejo orači, ki v noči od svečnice na pustni čas z domačini in povabljenimi enakimi skupinami oračev iz sosednjih občin zaorje Prvo brazdo. Pot jih vodi iz Mezgovcev v Dornavo kjer jih župan pred občinsko zgradbo izroči ključe občine, s katero upravlja skozi celoten pustni čas. Nepogrešljivo vlogo pri oračih seveda predstavljajo kurenti kot plužaji. Ker se zavedamo velikega pomena, ki ga ima za našo občino etnografsko izročili z veseljem podpiramo vsa prizadevanja, ki bodo kurentove obhode umestile na Reprezentativni seznam žive kulturne dediščine človeštva.

LETTER OF SUPPORT FOR THE NOMINATION OF THE ELEMENT "DOOR-TO-DOOR ROUNDS OF KURENTI" ON THE REPRESENTATIVE LIST OF CULTURAL HERITAGE OF HUMANITY

The community of Dornava lies on the flatland called Ptuj Field and is known for its rich carnival tradition. The main carnival event called FASHENC in Dornava attracts every year a great number of ethnographic and carnival masks to display this rich cultural heritage on Carnival Monday. In the preparation of this important cultural event are involved almost all cultural groups, institutions and many individuals. At the beginning, the organisation was entrusted to the Tourism and Ethnographic Society Lükari which consists of six sections: gypsies, flower arrangements, folk singers, lükari (onion producers), ploughmen and Koranti; later, the community of Dornava took over the organisation. A special role has been assigned to the group of ploughmen who, together with villagers and other groups of ploughmen coming from neighbouring villages, symbolically cut the "first furrow" in the night of 2nd February when the carnival time starts. Then, they set off and from the village of Mezgovci they come to Dornava where the mayor, waiting for them in front of the municipality, hands over the keys of the building. This symbolic gesture shows that the ploughmen will manage the community during the carnival time. The ploughmen are always accompanied by Kurenti who hold the plough. As we are aware of the importance such ethnographic traditions have for our community, we fully support efforts to inscribe the element "Door-to-door rounds of Kurenti" on the Representative list of the intangible cultural heritage of humanity.

LETTER OF SUPPORT FOR THE NOMINATION OF THE ELEMENT "DOOR-TO-DOOR ROUNDS OF KURENTI" ON THE REPRESENTATIVE LIST OF THE INTANGIBLE CULTURAL HERITAGE OF HUMANITY

In the community of Gorišnica, there are many individuals involved in different cultural societies who mark the cultural life of the village. Among numerous performers and producers of cultural events are those who focus in particular on the rich ethnographic-carnival tradition. Every year, the villagers from the settlement named Muretinci organise a special carnival event called "Fashenc on Shtunt". We are proud of all the performers who prove every year that human creativity in mask-making is limitless. These same performers have spread word about our community within the boundaries of our country and beyond by participating in various carnival events.

However, Kurenti are indispensable element of the carnival in our community. Their door-to-door rounds are cherished by all those who are lucky enough to greet Kurenti in their homes. Consequently, we support the efforts to inscribe the element "Door-to-door rounds of Kurenti" on the Representative list of the intangible cultural heritage of humanity.

Med pomembna društva, ki skrbijo za ohranjanje etnografske pustne dediščine sodi Etnografsko društvo koranti Hajdina. Njihovi vsakoletni obhodi od domačije do domačije so izjemno dragocen in spoštovan dogodek za vsakega, ki ga obiščejo.

Ker se zavedamo velikega pomena, ki ga ima za našo občino etnografsko izročilo, z veseljem podpiramo vas prizadevanja, ki bodo kurentove obhode umestile na Reperzentativni seznam žive kulturne dediščine človeštva.

LETTER OF SUPPORT FOR THE NOMINATION OF THE ELEMENT "DOOR-TO-DOOR ROUNDS OF KURENTI" ON THE REPRESENTATIVE LIST OF THE INTANGIBLE CULTURAL HERITAGE OF HUMANITY

The community of Hajdina spreads over the terraces on the right bank of the River Drava. The community with its surroundings ranks among the most important provincial centres of Mithraism in Europe. Therefore, it is not surprising that many habits and customs have been preserved in our community until nowadays. There are many societies and associations taking care of traditions, and every community resident is active in at least three different associations. Such a high level of civil and social involvement is strongly supported by the municipality. Among associations who focus in particular on the preservation of ethnographic-carnival heritage is the Ethnographic Association Koranti Hajdina. Their yearly door-to-door rounds are appreciated and valued by all those who Koranti pay a visit to.

We are aware of the importance such ethnographic tradition represents for our community, and therefore, we fully support the efforts to inscribe the element "Door-to-door rounds of Kurenti" on the Representative list of the intangible cultural heritage of humanity.

Sincerely yours,

Mayor

PISMO PODPORE K NOMINACIJI KURENTOVIH OBHODOV NA REPERZENTATIVNI SEZNAM ŽIVE KULTURNE DEDIŠČINE ČLOVEŠTVA

Občino Videm sestavljata ravninski del, ki ponuja tukajšnjim ljudem ugodne možnosti za poljedelstvo in živinorejo, ter hribovite Haloze, ki omogočajo predelavo kakovostnih in priznanih znamk vin. V naši občini močno spodbujamo delovanje kulturnih društev, katerih namen delovanja je predstavljanje in varovanje kulturnih vrednot na področju ljudskega izročila, književnosti, likovne dejavnosti, glasbe, plesa, ljudskega petja in folklora, gledališke dejavnosti, organizacije razstav in podobno. Trenutno je aktivnih 16. društev.

Naša občina se ponaša z izjemno bogato etnografsko pustno dediščino z najpogostejsimi liki kot so: pokaci, oračei in nam značilni rogati koranti. Slednji so še zlasti aktivni v Lancovi vasi, ki že vrsto let organizira in vodi vse pomembne pustne prireditve v naši občini. "Lancovski korant" se od ptujskopoljskega razlikuje po nekaj etnološko izvirnih podrobnostih. Je izvirni haloški korant, katerega rojstvo je še nepojasnjeno, a sega nekaj stoletij v preteklost naše vasi. "Lancovski koranti" nastopajo tudi pri "oračih" kot "plužarji", na svojih obhodih po vasi pa se pogosteje družijo v večje skupine. V naši občini velja za najpomembnejši dogodek obisk korantov na domačiji. Vsak, ki ga slučajno koranti ne obiščejo se počuti izjemno žalostnega in nesrečnega. Pri oblikovanju celostne podobe in identitete naše občine so največ pripomogli ravno koranti, ki so dobro ime ponesli širom po domovini in tujini.

Ker se zavedamo velikega pomena, ki ga ima za našo občino etnografsko izročilo, z veseljem podpiramo vas prizadevanja, ki bodo kurentove obhode umestile na Reprezentativni seznam žive kulturne dediščine človeštva.

LETTER OF SUPPORT FOR THE NOMINATION OF THE ELEMENT "DOOR-TO-DOOR ROUNDS OF KURENTI" ON THE REPRESENTATIVE LIST OF THE INTANGIBLE CULTURAL HERITAGE OF HUMANITY

The community of Videm partly spreads over a flatland which is appropriate for agriculture and cattle breeding, and partly over Haloze hills ideal for the production of premium wines. The community strongly backs up activities of various cultural societies whose main aim is to present and preserve cultural values of folk traditions through literature, painting, music, dance, folk singing, folklore, theatre, exhibitions and the like. Currently, there are 16 active societies.

Videm is proud of the extremely rich ethnographic-carnival heritage which comprises some typical carnival figures: whip-crackers, ploughmen and the horned Koranti. The latter are especially active in the village of Lancova Vas which has been organising all high-profile carnival events in our community for years now. The Korant from Lancova Vas differs from the one from Ptuj Field in a few ethnologically important details. The horned Korant is genuinely from the Haloze hills region, although its origin has not been clarified yet; we only know that it dates a few centuries back and is part of the history of our village. Koranti from Lancova Vas also accompany the ploughmen, but to make their door-to-door rounds they come in larger groups. The most important event in our community is the visit of Koranti. Those who are accidentally left out of door-to-door rounds feel unhappy and sad. It was Koranti who were taken as a symbol of our community and identity as they have spread word about us home and abroad.

We are aware of the importance such ethnographic tradition represents for our community, and therefore, we fully support the efforts to inscribe the element "Door-to-door rounds of Kurenti" on the Representative list of the intangible cultural heritage of humanity.

Mayor

OBHODI KURENTOV

Spoštovani,

KUD DomKULTure, ki ima sedež v centru starega mestnega jedra že vrsto let deluje na področju kulture, in prispeva s svojim delovanjem velik del kulturnih vsebin v mestu Ptuj s projektmi nacionalnega pomena (koncerti, literarni večeri, pogovori, glasbene predstave, razstave). Sem predsednica društva in že več kot 20 let vpisana v razvid samostojnih kulturnih delavcev na področju kostumografije. Kurent in vsi ostali etnografski liki so zagotovo zelo pomemben del slovenske kulturne dediščine. Sreča je, da so se kljub vsem zgodovinskim preobratom in viham sploh ohranili na tem področju. To je potrebno spoštovati, vzdrževati in ohranjati naprej za naslednje robove zato

“DOOR-TO-DOOR ROUNDS OF KURENTI”

To Whom It May Concern

KUD DomKULTure, with its main office in the core of the old town of Ptuj, has been active in the domain of culture for many years now. Thus, it actively and largely contributes to the cultural happenings in the town through the realisation of many projects of national importance (concerts, literature evenings, discussions, music performances, exhibitions). I am the president of a society and for more than 20 years I have enjoyed the status of independent cultural performer in the field of costumes. KurentI, as well as all the other ethnographic figures, undoubtedly represent an important part of the Slovenian cultural heritage. Luckily, despite numerous historical changes and times of turmoil, these figures have survived in our area. This fact deserves respect and to be maintained and preserved in future for the coming generations. Therefore, we fully

**PISMO PODPORE K NOMINACIJI KURENTOVIH OBHODOV NA SEZNAM ŽIVE
 DEDIŠČINE POD UNESCO ZAŠČITO**

Zgodovinski arhiv na Ptiju se zaveda pomena ohranjanja kurentove dediščine, zato še posebej vsako leto ob pustnem času z razstavo in predvajanjem filmov o kurentovanju pri lokalnem prebivalstvu in tudi širše, skrbimo za ohranjanje leta, hkrati pa s tem spodbujamo pozitiven odnos do lokalne pustne zapuščine. Z videnim se pri obiskovalcih na doživet način razvija tudi občutek identitete in kontinuitete.

V Zgodovinskem arhivu na Ptiju tradicionalno obiskovalcem v pustnem času postavimo na ogled razstavo »Ko zavlada Ptju kurent«, odsev kurentovanja v arhivskih virih. Na panojih lahko sledimo preko ohranjenih arhivskih virov in fotografij, ki jih hranimo v ptujskem arhivu, tradiciji pustovanja na Ptujskem. Razstava je gostovala tudi v Srbiji – Istorijski Arhiv Požarevac.

V skrbi za ohranjanje kurentove dediščine obiskovalcem predvajamo ob soglasju Slovenskega filmskega arhiva pri Arhivu Republike Slovenije naslednje filme: Kurenti v Markovcih, leto 1946, snemalec Božidar Jakac, 16 mm, Družinski film in kurenti v Ljubljani, leto 1951, snemalec Božidar Jakac, 16 mm, Velika čarownija, leto 1966, producent Unikal studio, scenarist Marijan Cilar, režiser Jančar Slavko, skladatelj Uroš Krek, 16 mm, Kurentovanje, leto 1949, producent Triglav film, scenarist in režiser Zvone Sintič, snemalca Milan Kumar in Anton Smeh, skladatelj Ciril Cvetko, 35 mm, Zima mora umreti, leto 1954, producent Triglav film, scenarista Mirko Mahnič in Zvone Sintič, snemalca

ARHIV NA PTIU

Milan Kumar in Anton Smeh, skladatelj Ciril Cvetko, 35 mm. Sledi tudi ogled celovečernega filma »Praznovanje pomladi«. Filmska mojstrovina, ki je ovekovečila mnoge folklorne znamenitosti iz okolice Ptuja (ob kurentih nastopajo v filmu še nekateri drugi originalni pustni liki) je bila posneta leta 1978, s slovenskim režiserjem Francetom Štiglicem, scenarij pa je delo Frančka Rudolfa. S predvajanjem filmov spodbujamo zavedanje, da tudi film služi kot izjemen zgodovinski vir, hkrati pa omogoča preučevanje lika kurenta v preteklem obdobju.

Omenjena projekta zagotovo krepita k pozitivnemu odnosu do lokalne pustne zapuščine in ohranjanja le-te.

**LETTER OF SUPPORT FOR THE NOMINATION OF THE ELEMENT
“DOOR-TO-DOOR ROUNDS OF KURENTI”
ON THE UNESCO REPRESENTATIVE LIST OF THE INTANGIBLE HERITAGE**

Historical Archives Ptuj is the institution which is well aware of the importance to preserve the heritage of Kurenti, and that is why, every year during the carnival time, the Archives put on an exhibition dedicated to the Kurenti festival as well as show films related to the festival. It is our aim to raise awareness of the local and wider public thus helping to preserve the carnival heritage, and at the same time to encourage a positive attitude towards the local carnival heritage. Through moving pictures people continue to develop their sense of identity and continuity.

Traditionally, during the carnival time, the Archives put on the exhibition “When Kurenti reign in Ptuj”, images of Kurenti festival taken from archive sources. All the displaying panels bear photographs kept by Ptuj archives featuring the images of Kurenti festival in the area of Ptuj. The exhibition was also hosted by Serbia – Požarevac Historical Archives.

In order to preserve the heritage of Kurenti, the Archives present various films in agreement with the Slovenian Film Archives of the Republic of Slovenia. Some of the presented films are:

- Kurenti in Markovci (1946) by Božidar Jakac, 16 mm;
- Family Film and Kurenti in Ljubljana (1951) by Božidar Jakac, 16 mm;
- The Great Magic (1966), produced by Unikal Studio, scenario by Marijan Cilar, directed by Jančar Slavko, music by Uroš Krek, 16 mm;
- Kurentovanje (1949) produced by Triglav Film, scenario and direction by Zvone Sintič, camera: Milan Kumar and Anton Smeh, music by Ciril Cvetko, 35 mm;
- Winter Has To Die (1954) produced by Triglav Film, scenario by Mirko Mahnič and Zvone Sintič, camera by Milan Kumar and Anton Smeh, music composed by Ciril Cvetko, 35 mm.

There is also a feature film “Celebrating the Spring”; this masterpiece (directed in 1978 by France Štiglic, scenario by Franček Rudolf), literally immortalised many folklore events in the region of Ptuj (besides Kurenti, there are some other carnival figures presented in the film). By showing such films we believe that we strengthen the awareness about a film being an exceptional historical source which enables to study Kurenti as they used to be in the past.

Both mentioned projects undoubtedly help strengthen the positive attitude to the local carnival heritage and its preservation.

PISMO PODPORE

za nominacijo enote "Obhodi kurentov" na UNESCO Reprezentativni seznam žive kulturne dediščine človeštva

V obhodih kurentov smo na Slovenski nacionalni komisiji za Unesco prepoznali mnogo elementov, ki lahko pripomorejo k medkulturnemu dialogu in pluralizmu, ki temelji na spoštovanju medkulturnih razlik in ohranjanju skupne dediščine človeštva. V sodobnem svetu pretirane tekmovalnosti, individualizma, egoizma, nerazumnega uničevanja okolja, postaja kurent s svojo sporočilno vrednostjo ambasador socialnih in kulturnih sprememb, ki nas vračajo v čase, ko je človek živel v sozvočju z naravo, rastlinstvom in sočlovekom. Ker se z vpisom na Reprezentativni seznam med ostalim ponujajo številne možnosti za dviga zavesti, da bogastvo sveta ni v kulturni in siceršnji monolitnosti, pač pa v kulturni in siceršnji raznolikosti, podpiramo nominacijo enote "Obhodi kurentov" na UNESCO Reprezentativni seznam žive kulturne dediščine človeštva.

LETTER OF SUPPORT

For nomination of the element "Door-To-Door Rounds of Kurents"
On the UNESCO Representative List of Intangible Cultural Heritage of Humanity

The Slovenia National Commission for UNESCO recognises in the element "Door-to-door rounds of Kurents" a number of features, which can contribute to the intercultural dialogue and pluralism based on respect of intercultural differences and preservation of the common heritage of humanity. In this modern world, marked by exaggerated competition, individualism, egoism and irrational destruction of the environment, Kurent, in its deepest meaning, is becoming the ambassador of social and cultural transformations, which can take us back to the times when humankind lived in harmony with nature, plants and other living/human beings. Owing to the fact that the inscription on the UNESCO Representative List will contribute, among other things, to a raise of awareness that the wellbeing of the world lies not in the cultural or any other monolithic form of expression but in cultural and other diversity, we fully support the nomination of the element "Door-To-Door Rounds of Kurents" on the UNESCO Representative List of Intangible Cultural Heritage of Humanity.

Zadeva: Izjava o podpori nominacije Obhodov kurentov za vpis na Unescov Reprezentativni seznam nesnovne kulturne dediščine človeštva

Slovenski etnografski muzej kot nacionalni Koordinator varstva žive kulturne dediščine podpira kandidaturo Obhodov kurentov za vpis na Unescov Reprezentativni seznam nesnovne kulturne dediščine človeštva.

Slovenski etnografski muzej že od ustanovitve leta 1923 skrbi za dokumentiranje, evidentiranje in raziskovanje pustnih šeg v Sloveniji. Med njimi so tudi obhodi kurentov. V svojih zbirkah hrani pustne maske kurentov, terenske zapise ter obsežno fototeko starejših in sodobnih fotografij, kar kaže na kontinuirano prisotnost kurentov v pustnem času na območju Ptujskega in Dravskega polja, v Halozah in Slovenskih goricah, s čimer se ohranja pustna šega, ki jo številni nosilci prenašajo na mlajše generacije. Število kurentov tako iz leta v leto narašča, hkrati se veča njihova vloga znotraj lokalnih skupnosti. Med vpletenimi skupnostmi in skupinami se krepi občutek za identiteto in neprekinjenost tradicije.

Prepričani smo, da bo vpis na Unescov Reprezentativni seznam nesnovne kulturne dediščine človeštva spodbudil še večje zavedanje o pomenu ohranjanja te šege letnega kroga in prispeval k večji prepoznavnosti tako na lokalnem, regionalnem, nacionalnem in mednarodnem nivoju.

Subject: Statement of support for the nomination of the element *Door-to-door rounds of Kurenti* for inscription in the UNESCO Representative List of the Intangible Cultural Heritage of Humanity

The Slovene Ethnographic Museum as the national Coordinator for the Safeguarding of the Intangible Cultural Heritage supports the nomination of Door-to-door rounds of Kurenti for inscription in the UNESCO Representative List of the Intangible Cultural Heritage of Humanity.

Since its foundation in 1923, the Slovene Ethnographic Museum has been documenting, recording and researching Shrovetide customs in Slovenia. One of these customs is the Door-to-door rounds carried out by the kurenti. In its collections the museum keeps Shrovetide kurenti masks, field notes and an extensive collection of old and modern photographs, which indicate the continuing presence of the kurenti during the Shrovetide festival in the area around Ptuj and the River Drava Plain, as well as in the Haloze area and the Slovene Hills, thus preserving a custom that is transferred by numerous bearers to younger generations. The number of kurenti increases each year, as does their role within the local communities. Among the involved communities and groups there is a strengthening of the feeling of identity and continuing tradition.

We are certain that inscription in the UNESCO Representative List of the Intangible Cultural Heritage of Humanity will encourage an even greater awareness of the importance of the preservation of this annual custom and contribute towards greater awareness of it at the local, regional, national and international levels.

Izjava o podpori nominacije za vpis na Reprezentativni seznam nesnovne kulturne dediščine človeštva

Ministrstvo za kulturo v okviru svojih pristojnosti trdno podpira nominacijo Obhodov kurentov za vpis na Reprezentativni seznam nesnovne kulturne dediščine človeštva.

Ministrstvo vodi nacionalni register žive dediščine, kamor je bila omenjena enota nesnovne kulturne dediščine vpisana že leta 2012. S sklepom Vlade RS so Obhodi kurentov pridobili najvišjo možno pravno in simbolno zaščito na ravni države: status žive mojstrovine državnega pomena.

Ministrstvo intenzivno sodeluje s Koordinatorjem varstva žive kulturne dediščine, Slovenskim etnografskim muzejem, središčem strokovnega presojanja pobud. Ministrstvo za kulturo posebej podpira pobude, ki izhajajo iz civilne družbe, iz posameznikov in skupin, ki ohranjajo in osmišljajo nesnovno kulturno dediščino, kar je pri Obhodih kurentov še posebej izrazito.

Slovenija je Unescovo Konvencijo o varovanju nesnovne kulturne dediščine ratificirala leta 2007, nato na podlagi Zakona o varstvu kulturne dediščine iz 2008 postavila temelje za njeno implementacijo - sistem institucionalnega varstva. Do začetka leta 2016 je v register žive dediščine uvrstila 46 enot. Podpora vloga ministrstva je, ob vzpostavitvi nacionalnega sistema prepoznavanja in priznavanja žive kulturne dediščine, tudi v različnih načinih neposredne ali posredne podpore nosilcem žive dediščine. Pri tem imajo zelo veliko vlogo tudi lokalne skupnosti, zlasti občine in lokalna civilna družba.

Vpis predlagane žive mojstrovine na Reprezentativni seznam nesnovne kulturne dediščine človeštva bi nedvomno pomenil zelo veliko za promocijo te dediščine v Sloveniji in močno okreplil in spodbudil delovanje posameznikov, združenj, strokovnih institucij, široke javnosti in lokalnih oblasti za odkrivanje še žive tradicije in njeno ohranjanje v slovenskem kulturnem prostoru. Za Slovenijo bi bilo to veliko dejanje, hkrati pa tudi pomemben prispevek k ohranjanju in večji raznolikosti svetovne nesnovne kulturne dediščine.

Declaration of support for the nomination for the inscription on the Representative List of the Intangible Cultural Heritage of Humanity

The Ministry of Culture, within its powers, firmly supports the nomination of the Door-to-door rounds of Kurenti for the inscription on the Representative List of the Intangible Cultural Heritage of Humanity.

The Ministry of Culture manages the national Register of intangible cultural heritage in which the mentioned unit of intangible cultural heritage has already been inscribed in the year 2012. On the basis of a decision by the Government of the Republic of Slovenia the Door-to-door rounds of Kurenti were granted maximum juridical and symbolical protection at national level: the status of an intangible cultural heritage of national importance.

Furthermore, the Ministry of Culture closely cooperates with the Slovene Ethnographic Museum that was assigned the role of the coordinator for the safeguarding of the intangible cultural heritage and is the central institution for an expert evaluation of initiatives that are in the majority of cases submitted by civil society, individuals and groups endeavouring to safeguard cultural heritage and make it meaningful, which is mostly explicit at the Door-to-door rounds of Kurenti.

The Republic of Slovenia ratified the UNESCO Convention for the Safeguarding of the Intangible Cultural Heritage in 2007, and with the adoption of the Cultural Heritage Protection Act in 2008 laid the foundations for the implementation of the Convention - a system of institutional protection. By the beginning of 2016, Slovenia entered 46 units in its Register of intangible cultural heritage. The supporting role of the Ministry of Culture does not include only the setting up of a national system for the identification and recognition of intangible cultural heritage, but also the provision of various forms of direct and indirect assistance to the bearers of intangible cultural heritage. To this end, local communities, primarily municipalities, and local civil society play an important role.

The inscription of the proposed unit of intangible cultural heritage on the Representative List of the Intangible Cultural Heritage of Humanity shall undoubtedly have a considerable impact on the promotion of heritage in the Republic of Slovenia and shall further encourage and intensify the activities of associations, professional institutions, the general public and local authorities aimed at identifying and safeguarding the living traditions in the Slovenian cultural space. This shall represent both, a great act for the Republic of Slovenia and a significant contribution to the safeguarding and diversification of the world's intangible cultural heritage.
