Additional Information

Particularities of patent protection in Samoa

The registration of patents granted overseas and filed in Samoa within 2 years from the date of issue abroad under the provision of the Patents Act of 1972 is no longer possible since it was repealed by the Intellectual Property Act 2011, but patents already granted under the previous Act shall remain in force for the unexpired portion of the period of protection provided under this Act, subject to the payment of the required annual maintenance fees.
