

Lowered
**data roaming
charges**

between
the EU &
the Western
Balkans

38 telecom operators signed a voluntary agreement to gradually **lower the maximum price for data roaming charges** between the EU and the Western Balkans from October 2023 onwards.

After **Roam Like at Home** and zero roaming costs in the Western Balkans, approved in July 2021, now towards **lowered data roaming charges between the EU and the region.**

Cheaper roaming
charges are good
for **citizens**
and **tourism**.

Lower data
roaming charges
enhance
**business-
to-business
contacts.**
