[Get ready for the European Online Conference for eTwinning Schools 'Igniting creativity, nurturing well-being'](#)

The overall goal of the conference is to identify, highlight, share, promote, disseminate and further establish the practices of eTwinning Schools that focus on creativity and well-being.

[Innovation, Education and Creativity with eTwinning: Spring Campaign 2023](#)

This year's Spring Campaign ran from 1 March to 7 April, focusing on the relevant topics related to this year's annual theme: Innovation and Education. Webinar and activities revolved around key topics such as well-being, artificial intelligence and media literacy.

[2023 Online workshop for IVET teachers: Blended learning mobility and eTwinning](#)

The Online Professional Development Workshop for Initial Vocational Education and Training took place from 1 to 3 March 2023 and focused on how eTwinning and Erasmus+ projects can support blended learning mobility in initial vocational education and training.

[Let's count down together to eTwinning Day!](#)

On 9 May, we celebrate eTwinning Day with inspiring activities on innovation and education.

with the European Education and Culture Executive Agency (EACEA). The opinions expressed are those of the contractor only and do not represent the contracting authority's official position.
