Congratulations to the winners of the eTwinning European prizes 2024.

[Spring campaign 2024: well-being at school](#)

The spring campaign focuses on promoting well-being in the classroom. With engaging webinars and a curated gallery of tips, teachers have explored strategies to create a supportive learning environment for themselves and their students.

[Insights from the 2024 online workshop on 'The principles of well-being for school leaders'](#)

This online workshop for school leaders and head teachers, with 227 participants, took place on 22 and 23 March 2024. The event provided a space for leaders of eTwinning schools to discuss and explore different aspects of well-being, encompassing both personal and institutional perspectives.

[Construct Europe 2024: eTwinning Flanders and the city of Mechelen join forces to connect education and the European Union](#)

In 2024, the city of Mechelen is organising a festival to celebrate the Belgian presidency of the Council of the European Union. eTwinning Flanders has joined forces with the Mechelen city council through the eTwinning project 'Construct Europe 2024' to create a connection between education and the festival.

Explore eTwinning for future teachers

Teacher educators can explore the potential of online communities to foster innovative teaching practices and international collaboration.

eTwinning, an online community designed to connect teachers and students across Europe, has been increasingly recognised as a valuable tool in initial teacher education.

European School Education Platform and eTwinning are initiatives of the European Commission, funded by [Erasmus+](#) and operated by European Schoolnet (EUN Partnership), under a contract with the European Education and Culture Executive Agency (EACEA). The opinions expressed are those of the contractor only and do not represent the contracting authority's official position.
