Report on ongoing interinstitutional negotiations

1. Better Dating Sharing Regulation: Trilogues of 5 and 17 December 2024

The second and third trilogue on a Regulation amending certain financial services and investment support regulations as regards certain reporting requirements (Better Data Sharing Regulation) took place on 5 and 17 December 2024 respectively (Rapporteur: Paulius Saudargas, EPP). In the trilogue on 17 December 2024 the co-legislators reached a provisional political agreement. The provisional agreement includes inter alia the following:

Besides the three European Supervisory Authorities (ESAs), the Single Supervisory Mechanism (SSM), the Single Resolution Board (SRB), the European Anti-Money Laundering Authority (AMLA) and the European Systemic Risk Board (ESRB) are included in the scope of this amending regulation.

It was also agreed that the authorities in scope would strive for the 'report once' principle, so that information from financial institutions and other reporting entities is only reported once to one of these authorities.

Within five years the ESAs through the Joint Committee, in close cooperation with ESRB, ECB, the AMLA, the SRB and the competent authorities, will prepare a report on the feasibility of a cross-sectoral integrated reporting system and based on this, lay out a roadmap for the implementation. Taking into account the report the Commission shall, where appropriate and necessary, submit a legislative proposal.

A mandate was given to the technical level to finalise the legal text.

2. Labour Market Statistics for Businesses – Trilogue of 12 December 2024

The second trilogue on Labour Market Statistics on Businesses (LBM) was held on 12 December 2024. The co-legislators reached a provisional agreement on the remaining political issues, namely on safeguards, temporary data and derogations. Co-legislators also endorsed the work done at technical level ahead of the trilogue. We will be voting on the provisional agreement under point 5 of today's agenda.

3. Benchmarks regulation review (BMR): Trilogue of 12 December 2024

The second trilogue on the Benchmarks regulation review (BMR) took place on 12 December 2024. The co-legislators reached a provisional agreement on the remaining political issues and endorsed the work done at technical level ahead of the trilogue. Negotiators agreed that the new rules should apply to critical benchmark, significant benchmark and certain commodity benchmark as well as climate-related benchmark such as EU climate-transition and EU Paris-aligned benchmark in order to ensure adequate supervisor. They also agreed to opt in regime and ensure that ESMA would have a supervisory role over administrators endorsing benchmark provided in a third country. Co-legislators gave a mandate to the technical team to implement the provisional agreement. We will be voting on the provisional agreement under point 6 of today's agenda.

4. CMDI package - Trilogues of 17 December 2024 and 14 January 2025

On 17 December, a first trilogue was held and failed to adopt the agenda but the second trilogue on 14 January had managed to do so and the work is underway.
