---

<sup>1</sup> In accordance with the committee's Guidelines 2016, items in sections B of the draft agenda will not be discussed during the current meeting. However any PETI Member may ask before the end of the meeting for an item in section B to be kept open; it will then be automatically included in the Coordinators' agenda for a decision on its further treatment at a subsequent Coordinators' meeting.

### **3. Adoption of the draft agenda of the PETI meeting of 6-7 November 2024**

Coordinators approved the draft agenda of the PETI Committee meeting of 6-7 November 2024. Coordinators took note of the fact that, should the confirmation hearings of Commissioners-designate take place in week 45 (4-7 November 2024), the meetings facilities of ordinary committee meetings scheduled for that week will be limited as all resources (meeting rooms and interpretation) will be devoted to the Confirmation hearings and therefore the PETI Committee meeting on 6-7 November may need to be cancelled/postponed.

### **4. Proposals for future meetings**

Coordinators decided to apply the urgency procedure to and include in the agenda of the committee meeting of 6-7 November 2024 the following petitions: Petitions Nos 1029/2024, 0798/2024 (EPP requests) and 0819/2024 (Pfe request).

Coordinators decided to include in the agenda of the committee meeting of 6-7 November 2024 the following petitions: Petitions Nos 1340/2020 (EPP request), 0529/2024 (S&D request), 1324/2023 (Pfe request), 0734/2024 (ECR request), 0043/2024, 0298/2022 and 0349/2022 (GREENS/EFA request).

Coordinators decided not to apply the urgency procedure to Petition No 0919/2024 and include it in the agenda of the committee meeting of 6-7 November 2024 (ECR request).

Coordinators decided not to include Petitions No 0145/2024 (GREENS/EFA request) 0284/2023 (The Left request) in the agenda of the committee meeting of 6-7 November 2024.

### **5. Confirmation hearings of Commissioners-designate: written and oral questions**

Coordinators endorsed the following written question, prepared at technical level, to be submitted on behalf of the PETI Committee to Commissioner-designate Maroš Šefčovič:

“Over the years, a significant number of petitions led to the opening of infringement proceedings and EU Pilot procedures. The way issues raised in petitions are treated has a decisive impact on citizens as regards their opinion on the effective respect for their rights arising from EU law, as well as on their trust in the EU Institutions. Transparency of the infringement procedures as well as communication to petitioners on the state of play of infringement procedures need to be improved for the benefit of the petition's process. In addition, infringement procedures remain open for years often without any progress.

The PETI Committee has consistently acknowledged the Commission's increased efforts to provide timely responses to requests for information made by the PETI Committee.

However, in the last term, PETI reiterated the need to receive regular updates on developments in infringement proceedings and EU Pilots, that either have been initiated on the basis of petitions or are linked to open petitions, as well as to make improvements on the overall action on the enforcement of the EU law. PETI Committee would appreciate more proactivity and automaticity in receiving summary information on the state of play of infringement procedures as part of the structured dialogue between PETI and the Commissioner responsible for petitions.

President Von der Leyen in her political Guidelines proposed to revise the 2010 Framework

Agreement between the European Parliament and the European Commission.

*With this in mind, what specific actions would you put in place to (i) ensure improved handling, better coordination and regular and timely information on the state of play of infringement proceedings and EU Pilots linked to petitions? (ii) accelerate the resolution of related long-standing open infringements cases, and what mechanisms will you put in place to ensure that citizens are not left waiting indefinitely for an outcome? (iii) implement a new inter-institutional IT tool between the Commission and the Parliament which would make easier the access for this latter to all relevant information linked to petitions?*

*Can the candidate commit to include these requirements for the Commission in the revision of the Framework Agreement?"*

As regards the oral question to be addressed by the Chair on behalf of the PETI Committee at the confirmation hearing of Commissioner-designate Maroš Šefčovič, Coordinators decided to endorse the following question:

“ As indicated in your mission letter and in the frame of the ongoing revision of the Framework Agreement between the European Parliament and the European Commission, the political responsibility and accountability of the Commission vis-à-vis the PETI Committee should be further improved to allow Parliament to exercise its scrutiny powers and to strengthen our institutional dialogue.

Additionally, PETI requests that more senior-manager level and high-ranking Commission staff attending PETI meetings with authority to address petitioner’s concerns and answers Members questions in a more adequate manner. Their responses should be clear, simple and empathic, in order to convey better understanding.

*How do you plan to involve the relevant Commissioners responsible for topics related to petitions and ensure the Commission’s participation at the appropriate level in PETI meetings, to address and help resolve the concerns expressed by petitioners?"*

- 6. Request to give a mandate to PETI Chair, for the upcoming CCC Meeting, to request the participation of PETI, as invited Committee, in the Hearing of Commissioner-designate, Valdis Dombrovskis (in addition to Commissioner Sefcovic) in light of this latter assigned portfolio, notably its competences on Implementation as detailed in its related Mission letter (Greens/EFA Group Request)**

Coordinators decided not to mandate PETI Chair to request to the CCC the participation of PETI as invited committee in the confirmation hearing of Commissioner-designate Valdis Dombrovskis.

- 7. Request to allow MEP Cristina GUARDA to attend remotely the November 2024 PETI Committee Meeting (Request by the GREENS/EFA Group)**

Coordinators decided to authorise MEP Cristina GUARDA to attend remotely the November 2024 PETI Committee Meeting (Application of Rule 222 RoP).

In addition, Coordinators decided to send the fact-finding visit report to the Council of Europe.

### **9. Inter-parliamentary Committee Meeting (ICM) on "Strengthening cooperation for a timely and correct enforcement of EU law benefitting EU citizens" (6 November 2024 15:00-18:30)**

Coordinators took note that, until the new implementing rules on missions within and outside the EU are adopted by the Conference of Presidents, requests for PETI fact-finding visits should be submitted in line with the Bureau Decision on committee missions outside the three places of work of the EP.

Coordinators decided to do a planning on public hearings and fact-finding visits for the first half of 2025 with a maximum of two hearings and two fact-finding visits per semester.
