Inspired by a love of India

Our chefs have taken inspiration from their native homeland and been inspired to elevate their favourite dishes, bringing this luxury Indian restaurant to Birmingham. Lovingly put together with freshly ground spices, great produce and authentic cooking techniques, we have evolved and adapted the best of Indian cuisine and made it truly special.

We offer a menu flowing with traditional dishes that explores pan Asian flavours synonymous of this majestic sub-continent, which will take you on a culinary journey across northern India, exploring the richness of tastes, contrasts and textures of the region that has been synonymous with centuries of tradition.
